One of the highlights of the evening was Christmas Song Pictionary. Teams competed to draw and guess their way through classic holiday tunes, with plenty of hilarious interpretations along the way. Who knew it was so tricky to sketch "Grandma Got Run Over by a Reindeer" or "Jingle Bells"? The room was filled with cheers and giggles as everyone embraced the challenge.

Another crowd-pleaser was the White Elephant Gift Exchange. The exchange brought out a mix of thoughtful, quirky, and downright funny gifts that kept everyone on their toes. From cozy blankets to hand made works of art, the swapping and stealing brought out the playful side of the holiday spirit.

The party wasn't just about games and gifts; it was a chance to relax, connect, and celebrate the season together. With delicious food, festive decorations, and great company, the evening was a true testament to the magic of Christmas.

As the calendar turns to a brand-new year, we want to take a moment to wish everyone a very Happy New Year! May this year bring joy, health, and exciting new adventures to all.

January is here, and with it comes one of our favorite events of the season - the annual Boat and RV Show! We hope all of you will drop by our booth at the show to say hello and check out what's new and exciting.

This event is the perfect opportunity to dream about and plan for all the great outdoor adventures that await you in the year ahead. Whether you're an outdoor enthusiast, a seasoned camper or someone just starting to explore the joys of the great outdoors, the Boat and RV Show offers something for everyone.

From the latest models of boats and RVs to innovative camping gear and accessories, the show is the ultimate destination for inspiration and planning. It's also a great chance to connect with fellow outdoor enthusiasts, exchange stories and share ideas for making the most of the coming season.

We've now wrapped up 2024 so now, let's make 2025 a year full of exploration, relaxation, and unforgettable memories. Here's to an amazing year ahead!

and decorating our traditional, real , live Christmas tree on the Social Center lawn.

A first for us this year was bringing in a talented painter to decorate the windows in the office building and clubhouse with holiday themes. That, along with all of the effort Beth expended in setting up displays around the office as well as creating a beautiful entry drive, made for a special holiday experience for everyone.

Continuing with tradition, we once again held the RV Site Decorating Contest with $150 cash going to the winner It was particularly gratifying that entries more than doubled the number of participants we had in each of the two preceding years. This year, all of the entries were photographed and posted on Facebook, allowing members and guests to vote and choose the winner.

And this year, the contest wound up in a tie! Site 40 (Marty Stewart and Richard Ten Brink) and Site 105 (Ken Stewart and MJ Maritato) each received $150 first prize money.

We appreciate the effort put into each and every entry and can truly say, you're all winners in our eyes! The creativity your decorations displayed made for a very special Christmas atmosphere in the park.

We're kicking off 2025 with Singer/ Actor Jimmy Danelli entertaining on Saturday, January 11 in the Social Center. We hope you'll join us for this special evening.

We have lots more planned for the New Year and we're looking forward to welcoming both members and guests to our little Winter RV Getaway!

Best wishes to everyone for a Happy and Healthy New Year!

Don checking the quality of the soft serve ice cream at the new Snack Shack

Activity Staff members Sandy Wall, Connie Ingram and Terri Whitehead meet Santa

The new Guard Shack has a drive thru window

new members, we opened our new Snack Shack at the front pool. This was a big hit with all of the campers. Soft Serve Ice Cream and Hamburgers were the menu items that campers flocked to enjoy.

A new guard shack was built at the entrance and Don actually has an office now. This was also well received by the campers.

Those who pay before checking in are now automatically processed; they love the drive thru window.

The old guard shack will be repurposed; it's been moved to the back pool area so that our miniature golf items, basketballs and soccer balls can be kept there. It will also be used as a staging area by our activity staff.

Our first event for 2025 will be our Valentine Dinner and Show. We are totally booked this year as we were for the last three.

HAPPY NEW YEAR!!!!!
