Here in the desert, celebrating Easter signals the beginning of warmer (hot!) weather and the end of our Winter season as the park begins to empty out.

As we wrap up another season we're grateful for the many RVers who come back year after year, as

well as those who have only discovered us recently. Over the years a great many friendships have developed and certainly will continue far into the future.

Perhaps the most important key to our success here at Cathedral

Spring breakers enjoyed camping with us during Spring Break, with many taking to the river to canoe and fish.

The Lowerys cooked up crawfish with all the trimmings while the Woodards enjoyed sitting around a cozy campfire as the kids played in the park.

We have been busy working in the park, raking and burning leaves,

mowing, painting and getting ready for Easter. We have a lot planned, from Easter egg hunts to games and activities.

So, come camp with us - we're a world away in terms of fun, peace and quiet - and sheer relaxation awaits your arrival. Whether your

Welcome back campers - we are looking forward to another great camping season!

During our off season we do campfires to keep in touch with our camping friends. Vickey and Tim,

Tammy and Ben, Brad and Stacey, Dave H, John S, John H, Ron H, Tammy and Donnie, Joe and Sandy, John and Pam H, John D, and Eric all came out to brave the weather and join us. Winter weather was so unusual that electrical work had to be put on hold but it should be completed for the opening of the season. We plan on doing brats and hot dogs on April 14 at the clubhouse. A new fire pit will be installed behind the clubhouse south of the trees, between trees and playground.

The fire pit will be constructed of pavers and stone with a bench. We hope to have many fires this summer and next winter.

We are currently looking for lifeguards for our 2018 season. If you know someone that would be interested who is 16 or older, please have them get in contact with the office.

A new and potentially large-scale wine festival is coming to Springfield in May! Vintage Ohio South will

St. Patrick's Day potluck

Palms is our volunteer crew. Having a group like ours that works together and really cares about what they do has been a real blessing.

From the time you make your reservation to the time you move on to your next destination, you'll enjoy dealing with everyone here. Gayle, Bobbie, Teresa and Kristin handle the duties at Registration, making sure everyone is welcomed and assigned a site.

When you romp with the pooch in the dog park or admire the beautiful flowers and other landscaping, you have Don to thank. He's also who maintains the pool and spa in sparkling clean condition.

When it comes to cleaning, Lyn was joined this year by new member Kirk and between the two of them, the restrooms, office, clubhouse, lobby and rental trailer were well cared for.

Dave and Randy, last year's Volunteers of the Year, are the longest-serving volunteers, having been here since 2009. Dave makes two daily drive-through inspections and Randy joins him watering, constantly trimming and cleaning up the foliage and helping at every activity and every food event; these two are always available to keep everything going smoothly.

Paulette jumped into the Activity Director position last year and along with her husband Lee and fellow member Susan, she's done a marvelous job. Thanks to these three, the potluck dinners, weekly dining out, hamburger lunches and Sunday morning coffee and donut events are huge successes. Paulette also spearheaded the premier of weekly bingo sessions, which have gone over quite well. In addition, Lee has taken responsibility for making sure every vacated site is cleaned up and ready for the next RVer; he's also our Mr. Fixit and general problem solver!

Finally, there's Mike, who has been instrumental in our remodeling, construction, maintenance and

Game Day activities

electrical upgrades for a number of years. His expertise has resulted in improvement projects going forward on time and on budget.

Without this dedicated crew, we couldn't possibly provide the level of service that you've come to

Game Day entertainment

expect in the past several seasons. On your next visit, please let these folks know how much you appreciate their efforts!

Our newly formed Member's Committee also swung into action this season, putting together an impromptu Games Day last month that drew a very active crowd. Events included Ladder Ball, Cornhole and Pickleball, not to mention lots of good food, drink and entertainment. We're looking forward to more athletic activities next season thanks to this group.

As our season comes to an end, the two other AARV Parks resorts are beginning theirs while we look forward to a short break. After that, we'll be turning our attention to Summer projects which will continue our commitment to ongoing improvements. Check out our Facebook and Instagram accounts for regular updates and remember to make your reservations early for next season!
