Despite our season being cut short by a couple of weeks, we still managed to have some great times with great folks!

And those great times don't just happen; planning and

Please welcome Gay Fuller to our Hidden Springs Family.

Gay comes to us with extensive customer relation experience. She will be helping in the office and with activities.

In preparation for our opening on May 2, we are busily readying the park to welcome you home!

Along with general preparations for the Summer Season, we're in

The **All American RV Club** is our growing network of RV Parks and campgrounds that offer significant discounts (most are 50% off their regular rates) to the members of All American RV Parks. There is no book to buy, nothing new to join or any additional cost to be part of this program - it's open to all members in good standing. Just show your **All American RV Club** membership card!

our Camp Workers helping with food events had a difficult time with crowding in the kitchen; now, they'll find it much easier to access supplies and maneuver around each other.

As you all know, there has been an increase in the need for 50 amp sites in our park. Therefore we have

had Garber upgrading the 30 amp pull-through sites to 50 amp. We now have 15, 50 amp pull-throughs which should hopefully help us meet the demand of the bigger rigs.

Please keep an eye on our Facebook page for any changes or updates.

outside paint job updates the look. Inside we have been painting and installing new lightning.

We are adding primitive tent sites near the cabins. Those should be finished by Memorial Day Weekend.

It has now been almost a year since we arrived at Hidden Springs. We have enjoyed meeting all of you and look forward to another great season. We hope you are pleased with the upgrades and changes made here.

As most of you know Hidden Springs will be closed until April 20 per Governor Reeves' Shelter at Home proclamation. Therefore, we have had to cancel all Easter reservations and activities. We pray this will make a big difference in this virus. Please stay safe and healthy.

to maintenance. Without these dedicated members, we could never hope to keep the resort running efficiently while at the same time creating all of the fun events that makes each of our resorts unique.

Here, I've had the good fortune of working with an awesome crew of Work Campers who, besides doing

a great job with their assigned tasks, really, really care about our members and guests and making their stays comfortable and enjoyable.

Each individual of the crew here deserves accolades for their efforts. Toward that end, a few years ago we began naming a Volunteer of the Year and each year

it is incredibly difficult to pick just one of our many Work Campers to honor. To me, every one of you are the best!

This year, it is my distinct pleasure to name Paulette and Lee Davis as Cathedral Palms RV Resort's Volunteers of the Year! Paulette and Lee have worked tirelessly for several years with the rest of our Work Campers to create experiences that raise the bar every season.

Lee is our 'go to' guy when we need anything built, repaired or serviced. He also is happy to help other RVers solve any issues with their rigs.

Paulette handles the food events, bingo and even worked the registration desk this year when an unexpected vacancy occurred. She is a dynamo and when she takes on a task, we can be assured that it will come off on time, as planned and provide fun for everyone who attends!

We wish everyone a safe and enjoyable Summer, even with the challenges we currently face as a nation. Please, take care of yourselves, your families and your friends and be sure to follow the safety guidelines that will get us through this. One of the best advantages of RVing is that you can enjoy the great outdoors while maintaining the necessary social distancing protocols!
