both days. The weather could not have been better - 80s and sunny.

As part of the work on the bath house, we are installing a new roof. Inside, the ladies side will be finished shortly and work has begun on the mens.

Another new project began this week, the asphaltting of our entrance. The office area is the first to get the

new look and when finished it will be a big asset to our park. The entrance road will be re-surfaced later this Spring.

Our membership drive was March 1 through March 18 and was a big success. We welcomed four new members during that time.

might be hanging out in the area too! Camp workers and volunteers will be working to spruce up picnic tables, get sites prepared and finish up some general maintenance projects that pop up along with all the Spring flowers!

We are anxiously awaiting the first day of camping season but in the meantime, we will be continuing to work on our planned activities for this year. Bingo will

be back on Friday nights as well as a variety of local food trucks. Grab something yummy and head over to the shelter house to join in the fun!

While our activities vary from week to week based on the theme, there are some things that we just cannot do without. Saturday morning would not be the same without family craft time. Every Saturday you can come up and enjoy a craft that will follow along with

the theme of the weekend. We do ask that campers under 12 please come with an adult. Important note, sometimes craft time may be messy so dress appropriately.

We like to wrap up Saturdays in the amphitheater enjoying a movie and free popcorn or showing off some awesome karaoke and dance moves. Our goal is for everyone to have a memorable experience at Tomorrow's Stars.

We have lots of activities planned for each weekend, and not just for the kids! Anything from field games to scavenger hunts are possible. Please, if you have

small town of Beeville, Texas. If you are ever in the area, ya'll are welcome to visit! We will always remember the good times at Cathedral Palms. Thanks for everything! Susan, Albert, Gracie, and Pudgie."

While we will certainly miss Susan, the office will now be ably managed by Dave, who, along with husband Randy, have lived the RV full timer lifestyle for many years before choosing the desert, and Cathedral Palms, as their new home. Dave's experience in the hotel industry, along with that of criss-crossing the US in their motorhome as work campers, will be a great asset in his new position.

Imagine enjoying this sunset view while relaxing in the spa!

This year, the spectacular displays of Desert X are back! The Desert X 2021 exhibition explores the desert as both a place and idea, acknowledging the realities of people who reside here and the political, social, and cultural contexts that shape our stories.

Lastly, the WiFi upgrade is in place! Leo and Travis installed all new equipment, along with software that
