Once again, the time has come to say goodbye to many of our friends who spend the Winter season with us.

I would like to take this opportunity to thank each and every one of the

So, we served a few pizzas...

people that keep this place running at full speed. Being short staffed

We have some exciting developments underway sure to be popular with guests of all ages.

The resort is committed to providing a comfortable and fun-

Watermelon eating contest

filled vacation, and the following updates are sure to impress.

First and foremost, the resort is currently constructing a brand-new

Welcome to April, and with it we welcome you to the beginning of the 2023 Summer Camping Season!

Our staff has been hard at work all Winter long, planning and developing new and exciting

Decorated bike winners

activities for our guests to take part in. This season brings several new themes, a few of your familiar favorites, and plenty of activities for the entire family.

The **All American RV Club** is our growing network of RV Parks and campgrounds that offer significant discounts (most are 50% off their regular rates) to the members of All American RV Parks. There is no book to buy, nothing new to join or any additional cost to be part of this program - it's open to all members in good standing. Just show your **All American RV Club** membership card!

Tomorrow's Stars, continued from page 1

3rd Place decorated cart

One thing we really want to stress to all of you who are entering and exiting the park this year is our speed limit of 5 mph. As a family park, we love watching all the children ride their bikes and run around the park. We all know from when we were kids, sometimes paying attention just wasn't a priority and this is when accidents happen. That's where we rely upon you following the speed limit, which allows you to be able to stop on quick notice and help us keep them safe.

Another safety item we want to make sure that our camping families are paying attention to is bicycle safety, especially at night. We require that anyone riding a bicycle at night have a headlight and taillight so that you can see and be seen. This rule also applies

to our carts being driven after dark. We want to make sure everyone stays as safe as possible throughout the season.

While we thrive on having fun, we couldn't do it without the help of everyone making and keeping our park a safe environment for all. Get those clothes packed and camper ready, it's time to join us and continue to Make Memories, One Campsite at a Time!

Darren Rambo, Manager

Great times are had tubing on the Bogue Chitto River

miniature golf course, which is set to be completed by the end of April. This is sure to be a hit with families, couples, and groups of friends looking for a fun and friendly competition in a beautiful outdoor setting.

Furthermore, the pool nearest the river is currently undergoing renovations that will include the addition of a concrete patio area with tables, chairs, and umbrellas. This will provide the perfect spot for guests to soak up the sun, enjoy a refreshing dip, or relax with a good book. This pool is set to open at the end of April as well.

In honor of Mother's Day, Hidden Springs RV Resort has planned a special celebration to recognize the amazing women in our lives. The resort will honor the oldest mother, youngest mother, and mother with the most children, providing a heartwarming experience for all.

For Memorial Day Weekend, the Resort will be bursting with activity. Kids' activities, bingo, and live music by Hoggwood will be on the schedule, ensuring that guests have plenty of options for fun and entertainment. The weekend

promises to be filled with old friends, new friends, and plenty of laughter.

Father's Day weekend will also be a blast, with the return of the Jambalaya Cook Off. This event was a huge hit last year, and we're thrilled to offer it once again. Guests can expect plenty of delicious food, along with live music by Russell Walker, making

Wheelbarrow race

for a memorable and entertaining weekend for all.

Overall, Hidden Springs is the perfect destination for a relaxing and fun-filled vacation. With the new miniature golf course and exciting holiday events, there's never been a better time to book your stay at this outstanding resort.

Don Mathis, General Manager

Bingo is VERY popular here!

Corned beef and cabbage dinner for St. Patrick's day

made it a very hectic year but we managed to pull off the activities you've all come to expect from us!

First there's Beth Derrick: Beth keeps the restrooms, laundry and reception area clean beyond words. This year she took on a few extra duties by helping me and Bill with the hamburgers on Friday afternoons and the breakfasts on

Lee photobombing Bill's quiche breakfast reveal

Sunday mornings. She also made sure that the kitchen was cleaned up after each event and pots and pans put away. At the same time, Beth pitched in and worked with Bill

when the office staff came down with Covid.

Second is Bill Kijovsky: Bill worked very hard, along with Lee, keeping the pool and spa in sparkling order. Bill also helped me prepare and serve our Saturday night pot lucks and pitched in at the office when necessary.

Third is Susan Bocanegra: Susan returned to us this year to work in the office from November to May. She let me bounce ideas off her and gave me her honest opinion on many projects. Many of our guests were very pleased to see her back at her desk when they arrived for the season.

Fourth is Lester Fussell: Lester was only available part time but he made sure that the lawns were mowed every week, planters and bushes were watered and generally helped with anything that we needed him to do.

Fifth is Bruce Howell: Bruce was here to help me absorb all things Cathedral Palms and he still has gigabytes of information stuck in his head that I haven't even begun to unwrap. Bruce helped with serving at the food events, did all of our flyers and notices, kept our Facebook page updated with lots of photos. He also produces The

Scoop each month and worked in the office two days a week so Susan and I could have our days off to relax a bit.

Last but not least is Lee Davis: Lee helped with the cooking, cleaning, serving at all the food events; did all the plumbing repairs, electrical repairs, and any and all general maintenance that the park required. Best of all, he made sure I had lunch every day either delivered to the office or ready and waiting when I got home.

Thanks also to the staff at our Corporate office for their support and understanding when I needed their help and input.

Russ Whitlock from Mike Thompson's RV, sponsor of our campfire dinners

Without this amazing group of people we would not have been able to host the best group of campers in the world. We'll be busy with projects throughout the Summer while looking forward to next Winter season when the park once again fills with RVers from all over the US and Canada!

Paulette Davis, Manager
