Other projects completed include replacing a pump at the sewer plant along with some broken piping that was also in need of repair. Local business, Underhill Well Drilling and water, brought soft water back to the restrooms and laundry by replacing the water softener.

In addition, thanks to money from our Halloween weekends, a major facelift to the clubhouse is in the works. When completed it will include a barbecue grill and a new area for food events and other member activities.

Finally, don't forget to make plans for Labor Day weekend, which will feature live entertainment and activities for young and not so young, alike. Call now to make your reservations!
