Talk about time flying - the upcoming Winter season is my 10th at Cathedral Palms!

So much has changed here over the years but there are constants,

Don wielding the sledgehammer

and one is the commitment from our corporate office to continue upgrading the resort.

We're sad to announce the passing of one of our members, Mrs. Norma Jean Coon Butler Gibbs. Her parents, James and Merle Coon, were members in the beginning. A memorial service was held here for Mrs. Coon.

In lieu of flowers, her family asked that landscape plants be donated to Hidden Springs to help with its revitalization.

Don on the new tractor

We were extremely pleased with July 4th week. Once again we had a full house and everyone enjoyed seeing each other. The pools, river

With everything green from the rain and the flowers in full bloom, it is a good time to come to Tomorrow's Stars RV Resort.

The basketball court was expanded to full-size court and is getting lots

Nice! Definitely not naughty!

of attention. The gaga ball court is rarely empty, and the pool is getting

Social Center before and after cleanup

Another constant that makes our success possible is the commitment from our volunteer crew. Thanks to them, improvements continue to be made every month, every season. During the heat of the Summer, when temperatures routinely hit 110 and above, they still keep at it.

This Summer we've completed the job of replacing every power pedestal in the park and now all 119 full service sites have hookups for both 30 and 50 amps.

We've also completed demolishing all of the old concrete and brick walkways in the Social Center. Now, we have the blank slate we need to move forward with plans to add ground cover, shade trees, games and other items that will make this area a

great place to hang out with friends and family while enjoying the wonderful Winter days and evenings that attract so many Snowbirds to our desert oasis.

With Labor Day right around the corner, we're looking forward to another fantastic Winter here in the desert. Keeping that in mind, please make your plans NOW and call for a reservation because we are already nearly sold out for the season. Don't miss out!

Bruce Howell, Manager

Matagorda Bay Nature Park
A member of the All American RV Club

Summer camp may be over, but you can still join

Matagorda Bay Nature Park for a variety of activities on the weekends. In August, the park will be offering kayaking, nature exploration and will introduce a new activity - kite building and flying!

The **All American RV Club** is our growing network of RV Parks and campgrounds that offer significant discounts (most are 50% off their regular rates for the first night of your visit) to members of All American RV Parks. There is no book to buy, nothing new to join or any additional cost to be part of this program - it's open to all members in good standing. Just show them your **All American RV Club** membership card!

Golf cart parade

plenty of swimmers. We replaced the fountain in the pond, and it has a beautiful color display after sunset.

Although each weekend last month was filled with activities, the biggest draw was the celebration of our country's independence. The park was full, everyone

Great entertainment for July 4th

enjoyed the Shadowridge Band, the hog roast, and the decorated golf cart parade to name just a few. Video is available on our Facebook page of the band playing and people dancing. Tomorrow's Stars Campground Facebook page also has a video of the decorated golf cart parade. A new adult favorite is the scavenger hunt. Golf carts are suggested because their clues will have you all over the park.

Christmas in July is always a favorite. Who doesn't love Santa and all the beautiful decorations? This year the cookies were made and decorated, the tree put up, and the children made decorations to put on the

tree, all in anticipation of seeing and pleasing Santa. We had a Christmas dinner with all the trimmings and guests bringing in their favorite side dish. Santa arrived and each child sat on his lap to tell him exactly what they wanted this Christmas. Santa took them on

Winner of the site decoration contest

a stroll around the pool and then accompanied them on a hayride. The day concluded with a family viewing of National Lampoons Christmas Vacation in the clubhouse.

August weekends include the themes Water Wars, Children's Olympics, Nifty Fifty, Nature Weekend, and Labor Day Weekend. We have a few openings for all

And here's the winning golf cart

weekends except Labor Day but you can call and get on the waiting list. We hope to see you soon. Every day is a good day at Tomorrow's Stars.

Darren Rambo, Manager

and creek were filled with happy children and a few adults who remembered how much they enjoyed the creek here when they were young.

Games and contests on Saturday morning brought out all the kids and were enjoyed as always. Thanks to Amy and her crew for their hard work again.

Friday night we had a full house to enjoy Russell Walker. Russell will be back for our Labor Day

Great times by the Bogue Chitto

Saturday night, the highlight of the weekend was the fireworks, a fantastic show you can see on our Facebook page. Thanks to Amy, Cowboy and their crew for a show we will remember for a long time.

Thanks to Leo for our new tractor, which has helped immensely as we continue to work on revitalization of the park. You have probably seen photos of it on our facebook page. Having the right tools for your work is so important. Right now the focus is on basketball court and tennis court, upgrading sites and working on roads and landscaping. Our next project will be updating our bath house.

Don and Charlene Mathis, Managers

Our July 4th Fireworks Shows are epic!

weekend. We will have tickets in advance for his show on Saturday night and Hoggwood Band on Friday night. Call the office if you would be interested.

Escaping the Summer heat draws a crowd to the creek every time
