

# The SCOOP

## August 2020, Vol. XVIII, Issue 8

The Scoop is also available online at [www.AARVParks.com](http://www.AARVParks.com)

Latest Update on our response to COVID-19

As the situation remains fluid, please check our website at <https://aarvparks.com/covid-19/> for the most up to date information. The Home Office staff is available as usual, M-F from 8 AM to 4 PM Pacific Time. Guests may contact the Home Office for new reservations, changes, cancellations, checkin, payments and checkout. Remain calm, stay safe, practice Social Distancing and please follow all CDC health guidelines!

**W**ith August heat upon us, everyone in the desert is finding ways to stay cool.

While RVs have always been a great way to travel for vacations,

### July 4th full moon

the industry is experiencing especially high sales this year as

The **All American RV Club** is our growing network of RV Parks and campgrounds that offer significant discounts (most are 50% off their regular rates) to the members of All American RV Parks. There is no book to buy, nothing new to join or any additional cost to be part of this program - it's open to all members in good standing. Just show your **All American RV Club** membership card!

**Cathedral Palms, continued from page 1**

people look to the highway for safe, family fun and adventure. We had expected fewer Summer visitors this year, but the opposite is true and we're seeing a good amount of visits.

As the lockdown drags on, many non-RV folks just looking to get out of nearby cities for a few days of relaxation are flocking to the desert and especially our beautiful Airbnb apartment.

Meantime, the new Ofelia Bringas Memorial Bridge construction on Cathedral Canyon Drive continues. The bypass has been paved and while completion of the bridge isn't until early 2022, it's going to be a great improvement for access to Cathedral Palms.

Wishing all of you a fun and safe Summer!

**Construction continues on the new bridge**

**Bruce Howell, Manager**

**Crafts for the whole family**

implemented deck markings so the sunbathers could enjoy the rays while others jumped in for a cool splash.

A flurry of activities took place during Fourth of July Weekend. It all started on Friday night with our new hit activity, the golf cart mud bog run, and finished with the all-American classic 'Sandlot' as our evening movie.

Saturday's activities continued the fun with our socially distant family craft, paintings of fireworks and then a bicycle decorating contest, with 1st, 2nd and 3rd place getting ribbons and certificates. The fun barreled along with a campsite decorating contest, with 1st, 2nd and 3rd place also receiving

ribbons, certificates and signs to post on their site to identify their accomplishment. Our dinner intermission consisted of a family dinner drive through featuring pulled pork, baked beans, coleslaw and chips. The evening concluded with a golf cart parade finishing at the outdoor stage and concert by "The Relics".

Sunday continued the fun with family friendly water balloon games, followed by a golf cart poker run. Next on the schedule, we held an afternoon cornhole tournament followed by our socially distant root beer float anti-social.

July's weather was extremely cooperative, as we continued with several fun-filled weekends, including Christmas in July and a weekend of camper fun to round out the month.

Can't wait to see everyone here during the rest of the Summer season!

**Darren Rambo, Manager**

**Anyone for popcorn?**

**Both pools saw lots of use during the holiday weekend**

Thanks to Manager Don and his volunteers for all the hard work setting up and setting off the great fireworks show.

Extensive remodeling of the cabins is ongoing and Cabin #1 has been completed and was occupied for the Fourth of July weekend. Once a few minor finishing touches are completed, all the cabins will be completely remodeled and ready to for you and your family to enjoy. If you haven't looked on our Facebook page, please do so; I think you will be very impressed.

We have also completed and rented six new full hook up sites. Along with those, 11 water and electric sites have been converted to full hook up sites. A new pipeline is being constructed in our area and we are fortunate in having many of the contractors stay at Hidden Springs until next Spring.

**Don and Charlene Mathis, Managers**

**Family time on the Bogue Chitto**

**4th of July weekend was packed with families having fun**
