Savor The Summer at Hidden Springs

Hidden Springs RV Resort was the place to be for our **Independence Day** celebration! We were thrilled to have a full park filled with families and friends enjoying an unforgettable holiday weekend. From exciting activities for both kids and adults to delicious favorites served all weekend at the Snack Shack, there was something for everyone to enjoy. The highlight of the celebration was our spectacular fireworks show that lit up the night sky and brought everyone together in celebration of our nation's **250th birthday**.

We would also like to extend a heartfelt thank you to our wonderful members, **Peggy Thomas, LeAnn Germany, and Jennifer Patterson**, whose beautiful patriotic decorations added the perfect red, white, and blue spirit throughout the resort. Thank you to everyone who joined us and made this Fourth of July celebration one to remember!

Exciting things are happening at **Hidden Springs RV Resort**! We are pleased to announce that construction on two brand-new cabins is expected to begin in August, with completion anticipated within approximately **four to five weeks**. These beautiful additions will provide even more opportunities for families and guests to experience everything Hidden Springs has to offer.

We are especially grateful to our member and contractor, **Romey Terrell**, who will oversee the project and bring his expertise, craftsmanship, and knowledge to ensure these cabins are built to the highest standards. We look forward to watching the progress and welcoming guests to these wonderful new accommodations in the near future.

Desert Days & Summer Nights

July marked the true beginning of summer here in the desert, but as we head into August, the temperatures have climbed even higher. With many days soaring above 110°F, everyone is doing their best to stay cool!

One of the highlights of the month was the incredible drone and fireworks show at **Agua Caliente Casino Rancho Mirage**. We found the perfect viewing spot in a quiet desert field—away from the crowds but with a spectacular view of the show.

Around the park, **improvement projects** continue to move along. Beth has been hard at work deep cleaning and refinishing the floors in the restrooms and laundry room, and Jack's team stopped by to trim all of the palm trees, giving the property a fresh, well-maintained look.

Plan Ahead for Holiday Weekends

Summer may still be in full swing, but now is the perfect time to start planning your camping adventures. Some of our most popular weekends—including **Labor Day, Halloween, Memorial Day, and Independence Day**—fill quickly, so reserving early gives you the best chance of securing your preferred dates and campsite.

One of the valuable benefits of your membership is the ability to make reservations **up to one year in advance**, while the general public can reserve only six months in advance. This gives members an important head start when planning holiday weekends and special events.

Now is the time to reserve your stay for Memorial Day Weekend 2027 and Independence Day Weekend 2027. Take advantage of your early reservation window and start planning your next adventure!
