Just take a moment to realize how wonderful it is that we can take part in this RV lifestyle. We have the ability to

Even though the weather has turned frosty, campers need not despair – Hidden Springs is open year 'round.

You'll find our friendly staff and top-notch hospitality still very much in working order during the Winter months. In addition to 54 sites with 50/30/20 amp hookups for RVs and tents, we also have three cozy rustic cabins, a large pavilion for family reunions,

places we've been, friends we've met and adventures that we could not have enjoyed any other way.

Here at Cathedral Palms, I'm especially thankful for a supportive Home Office that, along with a great staff, our

crew of work campers and the many members and guests who return to enjoy the resort year after year, has allowed

us to make such progress here in a relatively short space of time. We remain committed to continuing the

improvements so that your experiences here will continue to generate great memories.

Speaking of memories, the Cathedral City Civic Center is just a short walk from the campground and the city has really stepped up its efforts to promote the city, with something going on nearly every weekend. Some of the recent events have included a balloon festival and the Taste of Jalisco, which featured entertainment, wonderful Mexican food and free movies. Upcoming events include a Special Holiday Celebration featuring seasonal lights, Santa and free ice skating in December. The schedule through May is on our Facebook page.

Next up for us is the Christmas party on Monday, December 14. Come help us trim the tree!

From all of us to all of you, have a Very Merry Christmas, Happy New Year and a Wonderful Holiday Season.

The guys have also done some remodeling work in the kitchen. I really have a great bunch of guys who are willing to come out and help in the Fall and Winter. We really appreciate all of their help.

I also had a very unusual guest here one morning. A member who was leaving in the morning called to tell me there was a goat standing over by the gazebo. I got dressed and went to look. Sure enough, there was a goat.

He was waiting with a man who was asleep in the gazebo. The guy told me he was walking across America. He left soon after and was seen later walking down Route 40. It can only happen here at Tomorrow's Stars.
