As an example, our occupancy was 62 RVs on site on December 1, 2017; this year, that number

We played carnival games such as mummy wrap, ring toss, cake and bucket walks, eyeball toss, bicycle and foot races, piñata, Trick 'r Treating and walking through the haunted trail. One thing for sure is we

With the beginning of Winter here, our busy season has wound down.

We want to take the time to thank all of our Volunteers who worked so hard to make this park great all season. Our Halloween weekends were a big success. One of the best parts was welcoming so many

ballooned to 103! We are all so thankful for the progress we're making and from everyone here, we pledge to continue making Cathedral Palms the absolute best it can be!

I've written a lot here about our Work Campers but when I listed them all last month, I made a *HUGE* error by failing to include a guy who quietly goes about his chores here and upon whom we rely for so much. His name is Lee Davis and when he says, "I'll take care of it", that means it's as good as done! Thanks to Lee, every site is inspected upon check out to ensure the next camper has a clean site where all utilities have been checked and repaired if necessary. Beyond that, Lee handles all sorts of fabrication, repairs and basically, just

whatever needs done. Lee is just one more example of what makes Cathedral Palms stand out as the premier place to spend Winters enjoying our combination of Food, Friends and Fun!

The **All American RV Club** is our growing network of RV Parks and campgrounds that offer significant discounts (most

are 50% off their regular rates) to the members of All American RV Parks. There is no book to buy, nothing new to join or any additional cost to be part of this program - it's open to all

members in good standing. Just show your All American RV Parks membership card!

As we welcome both new and returning friends, we want to wish everyone a fantastic Holiday Season. Whether you're traveling or remaining at home this Christmas, please be safe and enjoy your family, friends, great food, celebrations and everything else embodied in the Season.

Winter? Not here! Bring on the shade!

For those of you with reservations here, we look forward to your visit. Our December Activities are posted on the webpage so feel free to have a look and plan to be part of the fun.

Best wishes!

Autumn leaves signal Winter is coming

new campers who became involved in working to make it all happen. Our thanks to everyone who participated!

The park is very quiet these days and looks amazing with the trees changing colors and all the leaves on the ground. Despite the dropping temperatures, we still have the dedicated resident campers that love our park so much, and many stay here year 'round.

We'll be keeping busy as this is the time of year when we make plans for changes and upgrades on the park which we'll be making when Spring arrives. This is also when we begin planning all of next season's activities.

We look forward to Spring when everyone begins to return for another great Summer season.

Stay tuned for upcoming Winter activities!
