The holiday season is such a special time here as we welcome back friends and kick activities into high gear after a leisurely Summer.

As in past years, we have an awesome Volunteer crew in place, all of whom work together to make a visit here something special to remember.

Our heated pool and spa are crystal clear, the restrooms are constantly cleaned and maintained and even the pooches have a special place in our dog park. If

Thanks to Darin Gonzales (our resident maintenance man) and Don, we have moved into our new office and are enjoying the space.

Darin and Don did a remarkable job of getting this building up and finished in just two weeks. Our office counter and coffee bar are constructed of reclaimed wood from an old barn. Plans are to add a

As always, our Halloween-themed weekends filled the park, providing something for all everyone.

Activities such as Trick 'r Treat, costume contest, kid crafts, haunted hayride in the woods and movies in the club house kept everyone busy, paving the path for family memories to be made and cherished for years.

The **All American RV Club** is our growing network of RV Parks and campgrounds that offer significant discounts (most are 50% off their regular rates for the first night of your visit) to members of All American RV Parks. There is no book to buy, nothing new to join or any additional cost to be part of this program - it's open to all members in good standing. Just show

them your **All American RV Club** membership card!

**Matagorda Bay Nature Park's** Annual Thanksgiving Potluck had record attendance with over 100 visitors and more than 30 dishes to enjoy together. The park was so thankful for its RV campers who choose Matagorda, Texas, as their holiday destination each year. With potlucks, mini golf, fishing and family-fun activities, Matagorda Bay Nature Park has plenty to offer for the holiday season. Make plans to join us next year!

and will include two horseshoe courts and a bocce ball court along with the two gazebos and expanded concrete area already in place. As has been the case for the past 10 years, Cathedral Palms is getting better and better and there's plenty more to come!

### All ready for Trick 'r Treating

want to thank Amber and her helpers for making it one of the best Hidden Springs has ever had. Kids of all ages as well as the adults participated in costume contests, pumpkin carving contests, spookiest camper contest, and all the carnival games.

Now that we have a few months to catch our breath, we are beginning the maintenance, remodel and construction of both new and existing facilities. The old kitchen building has now been torn down and we will install additional RV sites in its place. A newly remodeled storage building will be brought to the site alongside our new office. This building will be our new "Wash Room", with washers and dryers for our guests' convenience. Remodeling on the cabins will begin in January and when completed will be some of the best lodging available in the area.

The Camp Workers and outside volunteers were hard at work setting up the clubhouse and the woods to make the weekends full of family fun for the holiday. We would like to thank all those who helped make these events possible. Most even brought their own décor and had many hours invested to make it all come together.

This brings yet another season to a close. With that being said, I want to thank all my Camp Workers for the time they invested in the park. Sometimes we all forget how much time goes into creating these events, maintaining the grounds and helping make this park what it is. We have a lot of others who are not Camp Workers but still help as they can, and I thank you also.

Keep your eye out for postings on Facebook. Despite the Summer season ending there are still events that we will have during the off season, one of which will be Santa returning this December, maybe some tubing in the snow or a bonfire just to sit around and enjoy the outdoors. Please be sure to follow us on Facebook to see what is coming!

**Free hugs anyone?**
