As for most of you, our Thanksgiving was very different from past years.

For the first time in ages, there were no turkeys roasting (last year

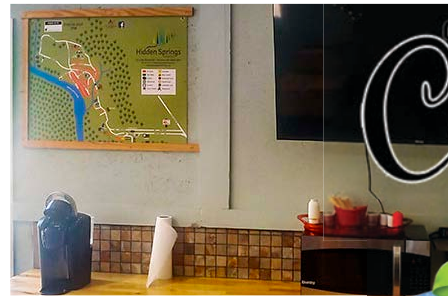

The new casino is open!

we did seven) and those wonderful potluck contributions were only a distant memory.

Our new store addition is 90% complete and will include a pizza oven and other food items.

An ice machine will be a welcomed addition this Spring, along with a coffee bar, ice

PEACE
Christmas

Despite Covid-19 allowing only registered campers in the park, our Halloween themed weekends were filled.

Family costume winters

The **All American RV Club** is our growing network of RV Parks and campgrounds that offer significant discounts (most are 50% off their regular rates for the first night of your visit) to members of All American RV Parks. There is no book to buy, nothing new to join or any additional cost to be part of this program - it's open to all members in good standing. Just show

them your **All American RV Club** membership card!

With activities such as Trick 'r Treat, costume contests, kid crafts, and the new and improved Haunted Walk in the Woods, there was something for all ages.

The Haunted Woods is a revamped version of the Haunted Hayride we have done in past years. There was a wagon ride into the woods, where the riders were dropped off. Then, groups of five or six people were

Merry  *Christmas*

released to walk through the Haunted Trail. Once they exited, they were back at the bath house, where they could get complimentary coffee, hot chocolate, and candy.

The camp workers and outside volunteers did the hard work, setting up the woods to make the weekends full of family fun for the holiday. We would like to thank all those who helped set up; most brought their own décor and had many hours invested to make everything come together. Next year we are adding some new activities to further involve the families and we hope to see you there.

This brings yet another season to a close and we want to thank all our camp workers for the time they invested in the park. Sometimes we all

Trick 'r Treating

forget how much time goes into setting up events, maintaining the grounds and helping make this park what it is. We have a lot of others who are not camp workers but still help as they can, and we thank you also.

Keep your eye out for postings on Facebook for updates about what is happening in the park during the Winter season.

Stay Safe and Healthy!

Darren Rambo, Manager

Beautiful new RV site

cream, snacks and soda. A supply of basic RV supplies will also be available. Thanks to Leo we now have TVs in our office, clubhouse and all three cabins. Satellite will be available soon. We continue to rehab existing sites here at Hidden Springs. Our most recent was Site #2. We have upgraded the utilities and extended the site by several feet so it can accommodate larger RVs.

More of the new store interior

Even though we were not able to do the traditional Thanksgiving pot luck dinner this year, our campers cooked their own dinners while enjoying time with their families. The smells of Thanksgiving were abundant here at Hidden Springs and we're now looking forward to Christmas and New Year's Eve.

Don and Charlene Mathis, Managers

We're also missing our many Canadian members, due to restrictions at the US/Canada border. Hopefully it won't be too long until the pandemic is brought under control and everyone can get back to enjoying traveling and being with friends and family.

In the meantime, we all need to do our best to stay safe and most of all, keep in mind that with or without turkey, with or without family

Planting more oleanders between sites

gatherings, with or without holiday celebrations, we're all in this together and that it's the spirit of the season that matters most, not where, how or with whom we celebrate.

We're currently seeing a lot of new faces here, as booming RV sales are bringing entirely new groups of adventurers into our lifestyle. So many of our visitors over the past few months have been from areas that are relatively close by, most endeavoring to find some sense of sanity during these difficult times. RVing is, and always has been, the safest and most fun way to see the country but now it's also the greatest escape from being stuck in our homes for weeks and months at a time.

The weather's great and there is still plenty to do here so plan to get out and stretch your legs and spend a relaxing time in the desert!

Bruce Howell, Manager
