We are so happy to see the return of our regular Winter visitors!

This is going to be a fantastic season, as we have more members and guests on site than ever before.

Paulette spent the better part of two days cooking eight (yep, eight!) turkeys for Thanksgiving dinner, along with the dressing, yams and gravy to go along with them for our first Saturday Night Campfire Potluck Dinner of the season. With the tasty potluck side

Halloween was a great success with our spook trail.

We had a great number of people who came out to enjoy the Halloween festivities; now it's on to enjoy Christmas. We are going to host the b a n d

Christmas is fast approaching and while formal activities are on winter hiatus, there is still fun to be had here at Tomorrow's Stars.

Rumor has it that Santa and the Mrs. will be making an appearance at some point before the big day to visit our Winter seasonal residents.

The **All American RV Club** is our growing network of RV Parks and campgrounds that offer significant discounts (most are 50% off their regular rates for the first night of your visit) to members of All American RV Parks. There is no book to buy, nothing new to join or any additional cost to be part of this program - it's open to all members in good standing. Just show them your **All American RV Club** membership card!

Bullet Proof on Saturday night, January 1 starting at 7:00 pm. The public is invited and tickets will be \$12.00 per person at the gate.

We will enjoy fireworks on December 31, 2021 at 8:00 pm and the event is open to the public for a fee of \$10.00 per person. We look forward to seeing everyone and enjoying a great weekend to bring in the New Year with lots of fun.

Merry Christmas

because we have a couple of fabulous sledding hills!

We just want to take this opportunity to thank everyone that has visited the park this year. Just know that the park staff and volunteers have already begun to make plans for next year. A couple of themes will be

disappearing, but we have a some new surprises in store for you. We are also starting to plan for food trucks for Friday and Saturday evenings. If you have information for trucks you haven't seen at the park, feel free to reach out via Facebook.

Once again, we would like to thank our wonderful volunteer staff for all of their time and effort. We are always looking for additional help and if you have any interest, please reach out to the office staff to see available opportunities.

From our Tomorrow's Stars family to yours, Merry Christmas and Happy New Year!

Thanksgiving dinner was wonderful, you can tell!

dishes added to it, we had quite a feast! Of course, you realize that calories consumed during the holidays don't count, right?

Lee makes sure gravy is perfectly placed

Following dinner, campers were once again able to hang out around the fire, tell stories, enjoy a drink and plan activities for the next day. Golf is a big favorite here (there are over 100 golf courses in the Valley) with hiking and bicycling also in the mix.

After a great evening meal and a good sleep, everyone woke up hungry for breakfast and Paulette's Denver Omelette Casserole didn't disappoint. Gathering under sunny skies in the cool morning air is a treat in itself but that doesn't satisfy the hungry tummy. That's where our \$3 breakfast combines with the perfect weather to start the day with a smile!

First campfire of the season, soon to be followed by many more

As Thanksgiving fades into the background, our thoughts turn to Christmas so this year, as Don begins decorating the entry, office and other areas, we're having a contest to award a \$100 gift card to the best holiday decorated RV site. We'll post pictures in the next issue and name the winner of the gift card.

As many of you know, we have a beautiful apartment on top of the office building and it can be rented by members as well as folks from the public. It's been a huge success so this year we remodeled our rental trailer and it is now available for rent. Both may be reserved online,

through our office or on Airbnb. In addition, there is another trailer available here for rent so if you have friends or relatives coming to visit, these offer an alternative to hosting them in your RV.

Another note of progress is the new bridge on Cathedral Canyon Drive hit a milestone this month, having opened one side to traffic while construction on the other half continues. Until now it seemed to be going so slow but now we're looking forward to its completion next Spring.

While we are very busy this year, there are still a few days of availability so call us today and we'll do our best to find a spot for you. Remember, while public guests can make reservations six months in advance, as members you have the advantage to reserve an RV site one full year in advance. All in all, it's wonderful to see a return to a time when we can gather again to enjoy good food, good fun and good friends! We hope to see you soon.
