**Merry Christmas and Happy Holidays from your favorite Winter getaway!**

**As Christmas and New Year's approach, we're winding down another successful year.**

**While the weather outside may be a little frightful, the camping is still delightful!**

As I look at our reservation system, I can see we're in for a very busy

The year 2022 saw a long list of projects completed. The one of

We've already seen the leaves fall and the snow flurries fly around

here, but you'll still find a few campfires offsetting that cold winter air.

The **All American RV Club** is our growing network of RV Parks and campgrounds that offer significant discounts (most are 50% off their regular rates) to the members of All American RV Parks. There is no book to buy, nothing new to join or any additional cost to be part of this program - it's open to all members in good standing. Just show your **All American RV Club** membership card!

building we are able to expand our activities well into the cold weather season. Nothing is cozier than a fire in the fireplace, some ball games and comfort food.

Halloween Weekends were lots of fun and challenges (weather). We did have three best decorated site winners and lots of costume winners. The Haunted Trail was again a great success. Thanks to the Sam Brock Family and all their volunteers for their hard work.

Adding to our list of projects for the coming months is a miniature golf course. Just one more attraction for the coming year.

We would like to wish all of you a Merry Christmas and Happy New Year. Hidden Springs will be bringing in 2023 with a Live Band and Fireworks.

Joy Vestal and Jen Oxley won Best Decorated Site

Don Mathis, General Manager

**Bill Ramirez and the dancing trio!**

Our Thanksgiving dinner was once again a delicious success. We cooked three huge turkeys (one was 27 pounds) along with all the trimmings for a wonderful feast enjoyed by all.

The second Saturday Night Campfire Dinner on November 12 was made even more special as singer Bill Ramirez entertained the

entire time, continuing even as folks gathered around the roaring campfire. The good news is, Bill will be back to entertain more often this season, next time at the December 10 Campfire Dinner. Bill will also be entertaining us at events in 2023.

Our gorgeous spa is now up and operating, after a complete renovation from top to bottom. It was rebuilt from the ground up, with new plumbing and additional therapeutic jets added to soothe those aching muscles after golfing, bicycling or hot games of pickle ball.

Speaking of pickle ball, a new court is being added and should be ready on or before the first of the year. Uncle Bob is hard at work so stay tuned.

Another of Uncle Bob's projects is currently taking shape as you enter the park. We'll be revealing more details as construction proceeds but it will be a Premium Site, so keep watching, both here and on our Facebook Page.

Be well, travel safe and make plans to enjoy the holidays with us!

**Paulette Davis, Manager**

**What's going on here? Stay tuned!**

favorite, send us a message on Facebook and we'll see if they might be interested.

Be sure to watch our Facebook page for upcoming Winter events. We have Friendsgiving coming up in early December, as well as our New Year's Eve party at the end of the year. We can't wait to see everyone around the park soon.

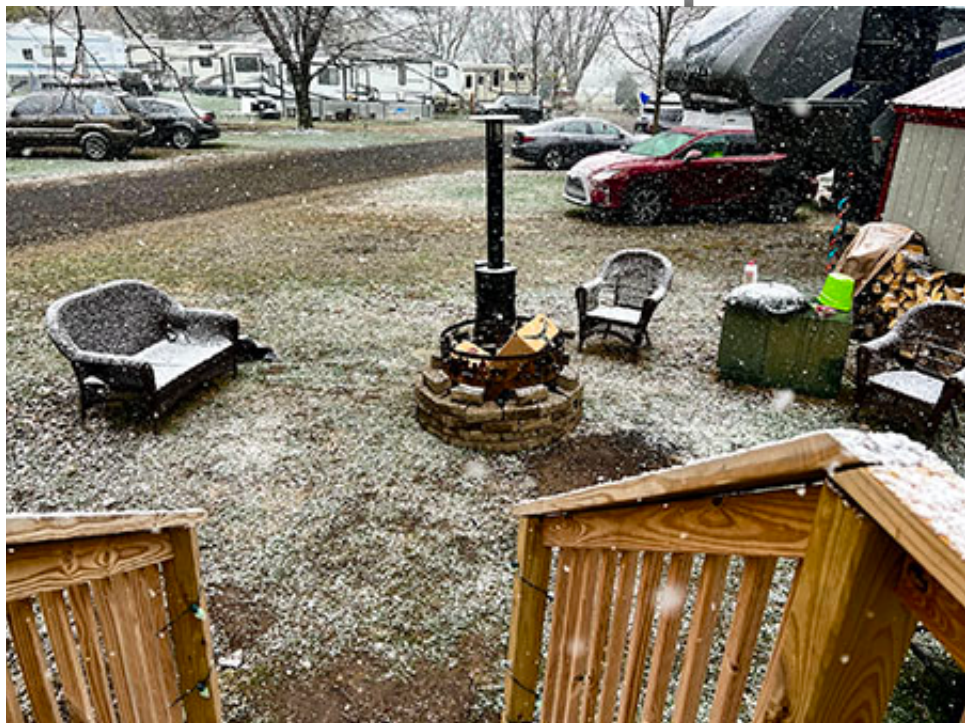

**Darren Rambo, Manager**

**Star can dance!**

Our activities group is hard at work planning for 2023. We have an exciting schedule put together with some of your favorite themes coming back and we've added in a few new ones as well. Fear Factor has been a theme that we have been working on for 3 years, and we're excited to debut it in 2023. We're also looking forward to our first Medieval Weekend, where you can be a knight or a princess, and play some great old-time games. It will be so much fun you can't help but yell "huzzah".

We've also started talking with our local food truck vendors. Several have already reached out and requested to be added to our list for 2023. We love bringing exciting new trucks to the park, so if you know of any new trucks in the area or have a particular

**A little snow doesn't stop our campers**
