It's February and Valentine's Day is upon us. Do you want to treat your sweetheart to a Valentine's Day filled with memories that will last a lifetime? If you do, there is no better way to celebrate than to

Last December 15th we started a new tradition here at Tomorrow's Stars, hosting Santa Claus for his second visit of the year.

Since Santa visits us first in July every year, he is now making a return appearance in December. Santa came to the campground to see all the kids and enjoy some crafts and snacks. Even though it was our first event held in December, there was a great turnout. Everyone enjoyed spending time together as the kids completed crafts and watched a Christmas movie. We also hosted a potluck, which brought out a mixture of holiday foods and snacks.

We are excited to announce the arrival of two gazebos that will be put in the pool area. This is a first step in providing more shade around the pool. In addition to the new gazebos, we plan to add some additional sites, widen some roads for easier access, and provide more overflow parking throughout the park.

Black Rock Park, an AARV Club Destination

LCRA Parks said goodbye to 2018 with a toast to 2019 consisting of sparkling cider and s'mores for everyone! At **Black Rock Park**, visitors enjoyed the New Year's Eve celebration decorating and releasing Wish Lanterns into the sky at sunset. Some made new resolutions for 2019 while others wrote a message to a loved one who had passed.

The **All American RV Club** is our growing network of RV Parks and campgrounds that offer significant discounts (most are 50% off their regular rates) to members of All American RV Parks. There is no book to buy, nothing new to join or any additional cost to be part of this program - it's open to all members in good standing. Just show them your current **All American RV Club** membership card!

into coffee and donuts (by popular demand) after a couple of years. This season, Paulette and Gayle have worked very hard upgrading to full breakfasts with such offerings as pancakes and bacon or sausage, breakfast casseroles, biscuits and gravy and even French toast.

Thursday night bingo draws a crowd

Recently we took delivery of two large gazebos, one for the Social Center which serves as both a game area and the place where we hold our food events, and the other for the pool area to provide some much-needed shade.

With the park so full and so much maintenance to keep up with, our Canadian members stepped up to help. They took the literally hundreds of pieces from six boxes, weighing just shy of 2000 pounds, and assembled both of them more quickly than we imagined. These gazebos are sure to become popular amenities, especially as our desert sun raises

temperatures more and more as the season progresses.

Our first steak BBQ of the season was a rousing success, as Ken and his son Chad grilled 100 New York steaks to serve the largest turnout we've ever had for this event. Also included were baked potatoes and of course, a great array of pot luck side dishes. Sponsorship of these Saturday night dinners from Mike Thompsons RV Superstores continues to make it all possible at no cost to our campers.

Bingo in the clubhouse is becoming more and more popular, with larger crowds nearly filling the room. We've experimented with holding it during the day but recently switched back to evenings, which had the effect of increasing attendance significantly.

Just a short walk from the park, Cathedral City will be celebrating its sister city relationship with Tequila, Jalisco (Mexico) on February 9 with the 4th Annual Taste of Jalisco. It's a fun event with Mexican inspired cuisine including street tacos, grilled chicken skewers, tamales, and back by popular demand, lobster tacos and lobster quesadillas from Cousin's Maine Lobster food truck!

With plenty to do both on and off the resort, this is a great place to spend Winter in comfort with both new and existing friends. Be sure to make reservations early (one year in advance for members, six months for public guests).
