February is a great month for us, with plenty to celebrate, including Valentine's Day and of course the biggest football game of the year!

Our Social Center renovation continues with the arrival of new furniture for the gazebos.

Vicki and Tony taking full advantage of our Winter weather

Members now have comfortable chairs surrounding tables with center propane fire pits so Happy Hour has a totally new ambiance! Those same tables are also under the two new pavilions in the pool

Restoration work continues on the cabins and when they are completed, they will be amazing!

So far, we've gutted and repaired the interiors, walls have been cleaned and refinished. The next step will be new flooring, which we

We're now selling propane

expect to start in the next couple of weeks. After that new baths and kitchens will be installed and finally, new lighting and furniture.

We've also installed additional outside lighting at our cabins, teen center and boat launch.

Clearing of land between the cabins and boat launch is being done for additional camping sites.

The weather here in Ohio seems to be doing its own thing, with January highs in the 60s and mud instead of snow.

Let's hope Winter comes soon so we can get it over with and get back to camping season!

These sites soon to be 50 amp

We are excited to announce that we are going forward with upgrading some of the electric in the park. We will be changing the Standard Pull Thru sites to Deluxe Pull Thru Sites. All of the Pull Thru

The **All American RV Club** is our growing network of RV Parks and campgrounds that offer significant discounts (most are 50% off their regular rates) to the members of All American RV Parks. There is no book to buy, nothing new to join or any additional cost to be part of this program - it's open to all members in good standing. Just show your **All American RV Club** membership card!

Hidden Springs, continued from page 1

Planning for the 2020 Season has begun. Easter weekend activities have been shared on Facebook and we have already made some reservations. We have even been able to schedule the Easter Bunny to be here at Hidden Springs for a short while on Saturday, April 11. He has consented to have his photo taken with the kids. Don't miss him – he will be here at 2:00 pm.

We are looking for an Activity Director. This is a part time, volunteer position only so if you or someone you know is interested, please contact Charlene.

Don and Charlene Mathis, Managers

Clearing this area will make way for more primitive tent sites next to the river

Sites will be Deluxe. This will allow us to offer more Deluxe Camping sites. We are doing these upgrades to better accommodate modern RVs, as more and more Campers being produced now require 50 amp service. Our plan is to continue making upgrades in the park each year.

In the past year, the park's water and waste treatment systems have been getting some much-needed maintenance and repairs. We are continuing with additional repairs through this Winter and hope to complete those prior to the Summer camping season. One of the repairs involves refurbishing the sand filters.

Over the years, trash has built up in the wooded area of the campground. Our Winter Camp Workers have started with the clean-up and have been doing a fantastic job. This will continue through the Winter

months so that the woods will be in better shape and our walking trails will be enhanced.

We would like to thank Mike and Kara Francis for working on the Activity List for the 2020 Season. For anyone that doesn't know Mike and Kara, they are the event coordinators for the park, and without them our schedule would look quite different. Keep your eye out, hopefully the Schedule will be posted by mid-February.

Don't forget that we are live online at aarvparks.com/tomorrows-stars. Since we have limited

Office Hours during the Winter Season, this will allow you to make your reservations online for the 2020 season at your convenience. In addition to making reservations, you can also pay for your Site, Storage Fees, Maintenance Fees and other payments that may need to be made.

Darren Rambo, Manager

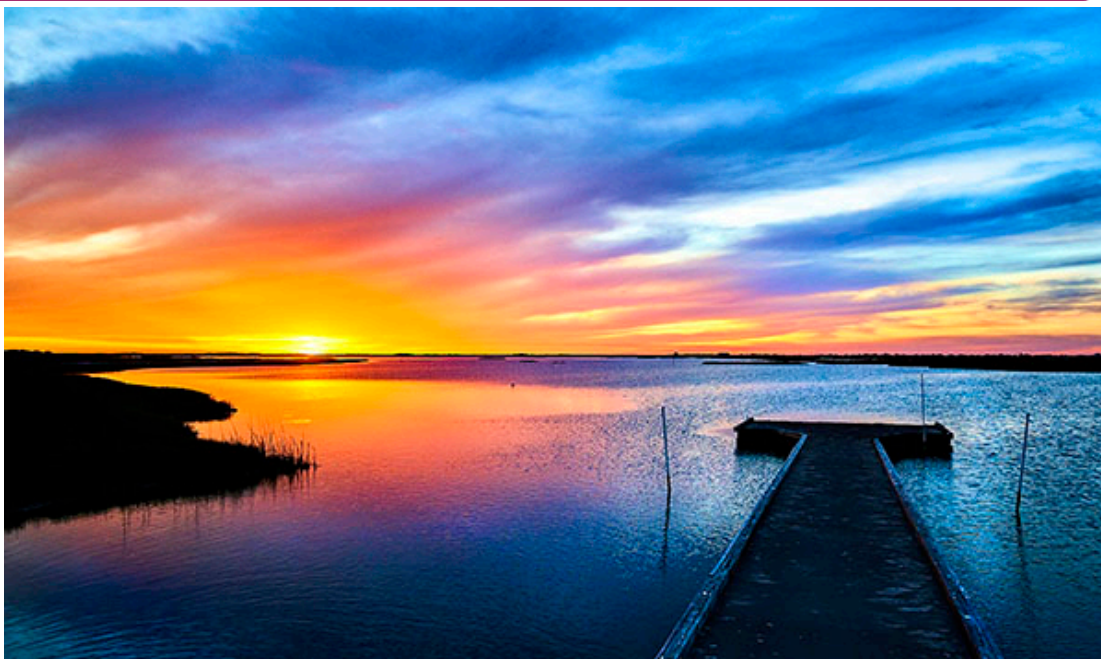

Our beloved Stars and Stripes on the pool pump house

Matagorda Bay Nature Park, part of the All American RV Club

The beginning of the new year marks the season for sunset beach combing and paddling at Matagorda Bay Nature Park.

Join us for a beautiful evening on the beach or in the bay during January and February to experience breathtaking coastal sunsets.

View the full list of park activities and events at <https://www.lcra.org/parks/Pages/searchevents.aspx>.

The Social Center continues to take shape

area, along with a new grill to allow barbecuing while enjoying a refreshing swim.

February also brings with it the wonderful Winter weather for which the desert is so well known. Cool nights give way to sunny, bright and warm days to enjoy playing pickle ball, table tennis, bocce ball on the new court and of course taking a bicycle ride or walk on the many trails around the resort.

Off the resort, February is a huge month for activities. Two events on the same day (February 8) will bring tens of thousands of visitors to the area. The larger of

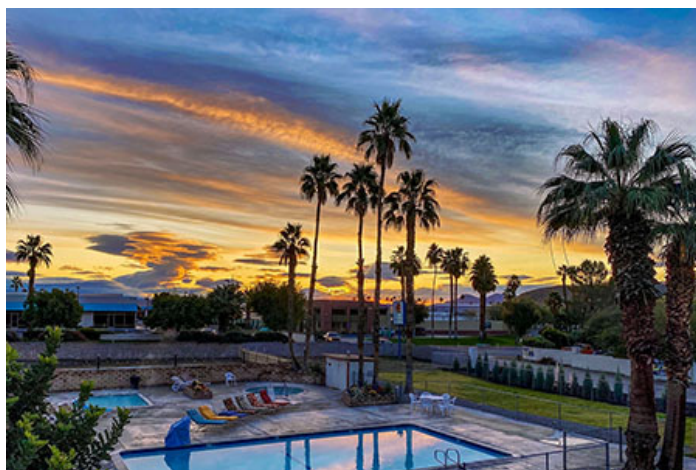

Tour de Palm Springs

the two is the 22nd Annual Tour de Palm Springs bicycle ride, in which a number of our RVers will participate. With multiple rides covering from 10 to 102 miles, plus 1 and 3 mile celebrity walks and rides, the roads will be full of competitors.

A bit closer, in fact just a short walk from the park, Cathedral City presents The 5th Annual Taste of Jalisco, which celebrates the sister city relationship between Cathedral City and Tequila, Jalisco (Mexico)

through music, fashion, spirits, culture and cuisine. Activities include live musical and dance entertainment, Mexican-inspired food, tequila tasting, kid zone, outdoor market and fireworks show.

Later in the month, The Mary Nutter Collegiate Classic will take place February 20-23. It's the nation's largest and most prestigious preseason college softball tourney, featuring more than 25 top Division I teams. This year will be extra special as Team USA (Women's Olympic Softball Team) will be a

Sunrise at the pool

featured guest team playing against the very best collegiate softball teams in preparation for the Summer Olympics in Tokyo, Japan. It takes place less than two miles from Cathedral Palms at Big League Dreams Sports Park.

Back on the park, our food events continue to grow and improve. The Saturday Night Potluck Dinners routinely serve upwards of 70 or more, with an evening of great food, new and returning friends and a relaxing finish gathered around a comfy campfire.

This time of year is special in the desert, whether you're an athlete, a spectator or just someone looking for a comfortable place to enjoy the laid back lifestyle that makes us so popular.

Speaking of popularity, RV spaces here are very hard to come by during the season so we urge you to call for a reservation or book online as soon as possible - whether you're new or a regular visitor, you'll find plenty to pique your interests!
