away in the warmth of their rigs waiting on the first signs of Spring.

Unfortunately, with the current rise of Covid cases in the area, some of the planned activities have been put on hold for the safety of our guests and staff. That doesn't mean that things have come to a

Both events were attended by the largest crowds ever.

“The Vegas Roadshow”.

The weekend of February 26 will be our Mardi Gras celebration. We have lots of fun and activities planned.

up her delicious meals that everyone enjoys so much. This year, taking a hospitality page from our Canadian members, we're adding a Wednesday Night Happy Hour to the schedule. For several years, the Canadians have been getting together in the Social Center most every evening to enjoy each other's company, some liquid refreshments and snacks, many home made. The plan is to add some additional treats, a campfire and music for dancing just to make Wednesday nights a bit more special. Keep in mind, the friendly folks from the North have always welcomed everyone to their gatherings so we hope even more folks will come out to make this a nifty weekly event.

February is going to be quite a busy month with other events. As she has been for the past month, Shelly is offering pickleball lessons on Wednesday mornings; more and more folks are beginning to get involved in the game thanks to her expertise and enthusiasm.

And of course, there's this Big Game this month, which will pit the LA Rams against the Cincinnati Bengals in what is supposed to be a Super football matchup. We'll be gathering in the clubhouse to watch the play-by-play on the big screens

Pickleball is becoming more and more popular

while enjoying free beer and soft drinks. Don, a great chef in his own right, will be barbecuing Polish sausage with sauerkraut, chili and cheese outside by the pool, which will also be complimentary. It'll be a great afternoon and evening!

As you probably know, we now have two Airbnb rentals at Cathedral Palms; one an apartment above the office building and the other a recently remodeled travel trailer. They are proving to be incredibly popular and since many of you have inquired about having a look at them, an Open House has been scheduled for Thursday, February 24 from 4:00 pm to 5:30 pm.

With our great weather, many RVers enjoy cycling and we're seeing a lot of shipments coming in with electric bicycles. Our members and guests can be seen pedaling out and about, taking advantage of the many safe, off street riding lanes. For those who are a bit more serious, the Tour de Palm Springs bicycle ride is also this month. Thousands of riders will participate in rides ranging from nine to 100 miles, finishing in downtown Palm Springs.

Come on out, there's something here for everyone!
