Kitchen remodel

Clubhouse is transforming into a space that reflects the energy and spirit of our campground.

As we celebrate the successful progress of the remodel, we are also gearing up for a spectacular event. On April 8 this year, we're inviting everyone to join us for an Eclipse Party that goes beyond the ordinary. The Eclipse Party is not just about witnessing a celestial phenomenon; it's an opportunity for our community to come together and enjoy a day filled with activities. Whether you're a fan of interactive games or simply want to bask in the festive atmosphere, we have something for everyone.

No celebration is complete without delicious food, and our Eclipse Party will be no exception. A food truck serving delectable treats will be stationed at the event, ensuring that your taste buds embark on a culinary adventure. For those who enjoy a bit of friendly

competition, we're also hosting a Corn Hole Tournament that will add an extra layer of excitement to the festivities. Gather your friends,

showcase your tossing skills, and aim for victory in this entertaining tournament.

Beyond the physical transformations of the clubhouse and the allure of the Eclipse Party, these events are opportunities for our community to strengthen bonds and create lasting memories. It's a celebration of togetherness, shared experiences, and the joy that comes from being part of something special.

As the clubhouse remodel progresses and the anticipation for the Eclipse Party builds, we look forward to sharing these moments with our wonderful community. Save the date, bring your enthusiasm, and let's make April 8, 2024, a day to remember. Together, we're creating a space that reflects the vibrancy of our community and the spirit of unity that defines us!

progress and future plans for the park. There was a great deal of positive energy at the meeting along with comments and opinions that will help guide us into the future.

Food service has always been a strongpoint and favorite of Members and Guests alike. Where else do RVers enjoy free potluck dinners each Saturday night during the season, made possible by our partnership with Mike Thompson RV? Penny Inderwiesche has stepped into the role of Master Chef and introduced new

items to tempt tastebuds for the Friday lunch; Sausage, Peppers and Coleslaw; Taco Bake (dinner), and French Toast (breakfast).

Our entry median has been refreshed with three new flagpoles, one each from which the American, Canadian and AARV Parks flags now proudly fly. Additionally, the median has been planted with a fresh crop of beautiful flowers.

Finally, Members and Guests were provided with their first night of

entertainment of 2024 in the clubhouse with the comedic stylings of Pete George and Paul Moomjean. They were a huge hit with attendees and we're currently working to book events like this on a monthly basis during the Winter Season.

We're planning events for both Valentine's Day and Mardi Gras this month so please make sure to both Like and follow our Facebook page for details!
