It was Disco Night for the Studio Over 54 crowd!

evenings were made even more enjoyable by introducing some new entertainment.

Singer/songwriter Jimmy Danelli wowed us with familiar tunes covering several decades. Members and guests were delighted listening to his performance, seated comfortably around the campfire, which took the chill off the evening.

Just two weeks later, Julie and Tim brought their Karaoke act to the Social Center, entertaining the

New plants at the entry

crowd following another Saturday night dinner and campfire.

It was the newly formed Social Committee that put on arguably what was the highlight of the month with their 70s themed Disco Party and Dance!

More than 70 campers dug out their bell bottoms, spandex, platform shoes and leisure suits to dance the night away under the strobe lights in the Social Center pergola. It was quite a night for the Studio Over 54 crowd! This is sure to become an annual event.

On a more somber note, we also gathered to celebrate the life of Tom Pack, perhaps one of our best loved members. It was a gathering filled with tears, smiles and even some laughs as several speakers reminded us how much impact Tom's life had, not only on us but on many others outside the RV community.

As in January, February is going to be a busy month here.

Kicking off the month is the King of all Football games happening on

Sunday the 9th. When the Kansas City Chiefs clash with the Philadelphia Eagles, we'll gather in front of the big screen TV to eat, drink and cheer on our favorite teams.

For Valentine's Day, we'll be celebrating on Saturday in the Social Center with a Prime Rib and baked potato dinner, followed by our traditional campfire.

Later in the month, the LifeStream Blood Bank mobile lab will be onsite. We encourage everyone who can to donate blood and Help Save a Life Today!

Finally, if it seems like the storage space in your RV is overflowing, you can bring your unneeded treasures to the Gather Your Treasures Yard Sale!

Coming in March: Cajun Country March 1, Laurie Cook and the Heat March 7. Stay tuned!

What a difference a few days make! But Dick Whitehead was still here to fill your propane tanks!

In March it's Mardi Gras Weekend, a Car Show/Arts and Crafts Show, Open House and live music.

We have been very pleased with the participation in those events as well as the reservations booked so far. But please, make your reservations soon for all of our activities; you don't want to miss out on all of the fun!

We were able to get a lot of work done in the new year, despite the

record low temps in the teens, along with snow and ice. Being in the South, when these things happen we all usually stay home because we don't have the clothing or ability to drive under those conditions. Of course these conditions help with sales of propane and firewood.

Our new pond is finished and stocked with fish. The dirt from the pond was used to build up the road at the creek area where the

flooding starts and building up the road will help control that.

We also installed a new heating and cooling unit in Cabin 2 and we'll be upgrading the other two cabins in the next few months. We're looking forward to 2025 and all the good times that are coming to Hidden Springs.

We're looking forward to another packed house for our Valentine Dinner
