The new year is here and 2017 is going to be a year of tremendous fun and relaxation!

As we reminisce about 2016 we have many fond memories and a few sad ones as well. The year started out with days of heavy rains causing devastating flooding in the park. We were unsure if we would even be

Hello everyone and Happy New Year from the cold state of Ohio, where the temperatures have taken a nose dive and gotten into the teens and twenties!

We had a very pleasant surprise for the Christmas party when the Euphoria Family Band performed for us. This group is husband, wife, son and daughter and they

open for our Spring season, but with lots of volunteers and weeks of hard work we were able to get all the damages repaired and the park cleaned up and reopened April 4.

Our Spring season kicked off with a bang and never stopped throughout the year. Most of the year went as normal as possible and as usual we had many delightful evenings greeting past friends and meeting new ones. On a very sad note, Preston Nash, a

We have had a couple of inches of snow so far and will probably have our coldest nights this year with temperatures dropping into single digits. I need to get out the boots and long johns to stay warm because I think this is going to be a cold and snowy winter.

We hope all of you had a Very Merry Christmas and Happy New Year. I can't believe it's already 2017; where did 2016 go? We're getting ready to participate in the Dayton RV show again this year, which runs from February 2 - 5.

We even had a white Christmas here! Well, not exactly on the campground but on Christmas eve day, following a day-long rain, the clouds lifted off the mountains, which were covered with beautiful snow. It was an amazing sight, especially when we could view it on a 70° day!

long time friend and member of Hidden Springs, became very ill and is no longer with us. He was such a cheerful person who was always smiling and loved to camp. We will miss him.

We have many fond memories of our campers including our treasured Be Backers and First Time Guest. We have enjoyed watching all the families come and go and having fun through the year. I would like to thank our staff and all our volunteers who are so much of a part of the Hidden Springs camping experience! Their friendly demeanor and willingness to help makes this a special destination. We appreciate everything each of you have done to make this past year a success and welcoming to all. We wish to extend our warmest greetings and most humble thank you to family, friends and patrons of Hidden Springs. It is because of your appreciation as shown by return visits, great reviews, kind words of mouth and sometimes a special hug that makes us love what we do.
