This is a wonderful time for all of us here as holiday celebrations wind down and the New Year arrives.

The resort is packed full with nearly all sites filled, but many of our members have left their RVs here and traveled home to be with

Santa stopped by in his RV

family during Christmas. We're excited to welcome their return for the season and get the activities started again.

Now that our Season has come to an end, we turn our thoughts and efforts to upgrading the buildings in the Park.

To start, we tore down the "Kitchen" (floods made the building unusable), and reclaimed some of the materials to use on other buildings. The cleared area will now be used for additional RV sites to be built in the future.

Secondly, we started remodeling our cabins. All three will be completely remodeled and equipped with updated equipment and furniture. When completed they will provide some of the nicest lodging in this area. There is no view to compare to what you see when staying in the cabins.

We are thoroughly enjoying our new office. Everyone who has visited so far has been very complimentary and the Christmas decorations looked wonderful.

Several of our campers organized, and we celebrated, a Friendsgiving this year for Thanksgiving.

There was a great turnout with lots of food, along with some games

for everyone to play. We were having so much fun, everyone

The **All American RV Club** is our growing network of RV Parks and campgrounds that offer significant discounts (most are 50% off their regular rates) to the members of All American RV Parks. There is no book to buy, nothing new to join or any additional cost to be part of this program - it's open to all members in good standing. Just show your **All American RV Club** membership card!

stayed and finished the evening by watching the OSU game - which of course, they **WON** again! O-H-I-O!

We held our annual Christmas Celebration here at the park on December 14 and everyone was invited.

"What can Santa bring you?" We did a potluck, carry in to celebrate Christmas. It was great spending time with a lot of campers we normally don't get to see in

the wintertime. Santa made his visit, spending time with the kids and getting their lists. He also enjoyed getting a couple of lists from the adults as well. Next Year we plan to do even more when it comes to our annual Christmas Celebration.

Celebrating 'Friendsgiving'

Keep an eye on Facebook for upcoming events. When weather permits we plan on having more events this Winter.

happy to have you. Please call Charlene at the office.

Everyone at Hidden Springs would like to wish all of you a very Happy New Year. We look forward to seeing you in 2020.

Managers

We celebrated the end of one year and the beginning of another with a special promotion, offering two night's stay for the price of one. New Year's Eve was celebrated with karaoke, a big campfire and fireworks.

As we say goodbye to 2019, we have already begun making plans for 2020 and we think you will be pleased with the upcoming events.

If any of you would like to volunteer to help with those events, we would be

As you can see from the Activities Schedule, there are plenty of activities for everyone to enjoy, including our famous Saturday Night Campfire dinners, provided at no charge thanks to the sponsorship from Mike Thompson RV Superstores (MTRV). Russ Whitlock is the new representative from MTRV and his wealth of experience from his RV travels will allow him to bring a new level of assistance to anyone wishing to move into a new RV.

Paulette's Sunday breakfasts proved so popular last year that she will be at it again. We even bought her a new, larger commercial stove and oven to make it easier and faster to serve you great hot breakfasts and dinners.

Spectacular new accommodation

Also new at the Social Center is an expanded cement slab specifically for games that require solid footing, like our very popular table tennis. In past seasons one table was not enough to accommodate everyone who wanted to play, so a second table was added.

For those of you who have friends or family visiting who do not have an RV, our newly remodeled upstairs apartment is now available and it is spectacular! Available through the registration office or online through AirBnB, it is a first class accommodation that has generated rave reviews in this first season of availability.

We are planning an incredible 2020; we hope you'll join us to enjoy making new friends and pleasant memories in this Winter land of endless possibilities.
