Happy New Year to all of our friends and camping family!

Hopefully, everyone enjoyed a safe and peaceful holiday season. While the other parks are enjoying

perfect camping weather, here at Tomorrow's Stars, we have settled into the long, cold winter months.

The **All American RV Club** is our growing network of RV Parks and campgrounds that offer significant discounts (most are 50% off their regular rates) to the members of All American RV Parks. There is no book to buy, nothing new to join or any additional cost to be part of this program - it's open to all members in good standing. Just show your **All American RV Club** membership card!

Mrs. Claus joined Santa this year

Santa was able to bring a bit of cheer to our holiday get-together early in December. Great food and fun games were enjoyed by those who attended. Also, campers decorating for the Christmas decorating contest brought a little bit of brightness in an otherwise gloomy season.

Activities directors are hard at work planning some new activities for the coming season. We will be welcoming some old favorites back, such as the Cardboard Regatta and Redneck Weekends, while kicking around ideas for a Great Race and Wizard of Oz weekend. A complete schedule will follow in the coming months.

In the meantime, to those of you camping through the Winter, bundle up and enjoy those January campfires! To the rest of us, keep counting the days; April 15 will be here before we know it! Now's the time to take advantage of your membership privilege to make reservations as much as one full year in advance!

as stress free as possible, disposable cups, plates, and plastic tableware are also included. We've even added retractable clothes lines over the showers, perfect to hang those wet swimsuits up to dry.

Cabins will be available for members, their friends and family as well as public guests and may be reserved through us or online through Airbnb.

Please stay tuned to our Facebook page for new weekend activities. We're in the process of creating themed weekend activities for everyone's participation, even the young at heart. The youngsters will enjoy hanging out with friends and watching their favorite sports in the teen center, which is also getting spruced up with plexiglass being installed over the open areas to allow the building to be heated and cooled.

So, make sure you stayed tuned in to our Facebook page; you never know exactly

Christmas with Santa was a big success, as the little ones enjoyed the pancake and sausage breakfast before letting Santa know exactly what they want him to bring them for Christmas.

We're working hard to assure that everyone will find something to enjoy doing here. If you have any suggestions on what activities you would like us to incorporate into our weekends that would make your stay more fun, please call the office and let us know. We are always open to any suggestions our members and guests may have. By the way, our membership with Good Sam will be effective on January 2, 2022.

Happy New Year!

with all the amenities. In the near future we'll be hosting an open house to show off both the trailer and the upstairs apartment, both of which will be available to rent through Airbnb as well as on the AARV Parks website.

Speaking of the website, both members and public guests may now reserve online up to six months in advance, so please be sure to make your reservations early.

Remember, as an AARVP member, you have the advantage of reserving your site one full year in advance, but those reservations must be made by calling or coming to the office or by phone through the

Corporate Office, not online. Our busy season runs from November to March so to assure yourself a site, it's best to make your plans as early as possible!

Last month we held our first, RV Site Decorating Contest, with a \$100 gift card going to the winners, Guy and William. Actually, everyone who visited the park was a winner, as they enjoyed the beautiful decorations at the various RV sites. If you'd like to see them all, just check out our Facebook page.

We're looking forward to a spectacular New Year as 2022 approaches. We hope you'll consider leaving Winter behind and joining us for the best experience in the desert. Happy New Year!

The full moon was a celestial topper for our Social Center Christmas tree this year!
