Reflecting back on the events and happenings from last year, I definitely have some mixed feelings about 2022.

In August we lost one of our most treasured member/employees; Don Pitkin passed away leaving a

legacy of beautiful flowers and plants throughout the park.

As the New Year begins we take a last look at events held for Thanksgiving and Christmas.

On the Saturday after

The **All American RV Club** is our growing network of RV Parks and campgrounds that offer significant discounts (most are 50% off their regular rates) to the members of All American RV Parks. There is no book to buy, nothing new to join or any additional cost to be part of this program - it's open to all members in good standing. Just show your **All American RV Club** membership card!

complete with turkey, ham and all of the fixings. Jolly Old St Nick made an appearance for the little ones (and not so little ones) to make some final changes to their Christmas lists. The fun continued with holiday themed games and a gift exchange.

Over the next couple of months, volunteers will be hard at work finalizing activity schedules, booking bands and food trucks. If you have any suggestions, we would love to hear them. Drop a comment or message on our Facebook page. There are also several exciting changes that we will be starting to work on around the park to make camping experiences even more enjoyable.

If you are looking for something to do in Columbus in mid-January, come visit our booth at the Ohio Boat and RV show! We look forward to seeing our camping friends. Also, check the Facebook page frequently for more scheduled activities through the Winter including a New Year's Eve party, some crafting days and more potlucks.

Until next time, Happy Camping!

were wonderful and we had an even bigger crowd than last year. Dinner was followed by karaoke. Thanks Alberta Cupit for hosting this for us.

On Saturday, December 10 Santa came to visit the children here. He brought pizza and lots of presents for all the good little boys and good little girls.

We have almost finished our projects of removing all the stumps and clearing the leaves from all the sites. In a couple of

In June, Manager Bruce Howell decided to retire but he did stay on until November to help get me set up and familiar with all things Cathedral Palms (I'm still working on that).

In November we welcomed Susan back to work in the office and what a great help her knowledge and expertise have been. She is the Yen to my Yang.

I look forward to amazing entertainment in 2023 with the return of our DJ/singer/entertainer, Bill Ramirez, every month through the end of the season. Our family of guests have returned and it's like old home week here as we greet each and every one with warm hugs.

We will continue with our Friday afternoon Burger and Fries, our Saturday night pot luck dinners and Sunday morning
