Each summer Palm Springs seems to have more and more events and attractions and 2016 has been no exception.

For instance, Memorial Day Weekend was again huge, with a first-time event for the desert, the Monster Memorial Weekend. A top-notch team of professional BMX riders, including X Games pro Larry Edgar and Monster

It's July and with the heat in the triple digits, both our pools and the spring-fed creek are very popular with all the campers.

We guarantee that they are refreshing and cool! The fish have also been biting in the river making fish fries very common here in the

The weather cooperated and Memorial Day Weekend turned out to be a huge success.

The park was full and everyone had a good time. The kids enjoyed swimming, decorating their bikes and parading around the campground. We had a movie on Friday night, golf cart poker and a

golf cart rodeo. It kept raining on the golf cart rodeo and they finally had to quit. That was the only rain out the whole weekend.

Weekend and that kept some people from enjoying the everything-chocolate potluck. The children had a good time with the pudding eating contest; lots of dirty faces and clothes for that. At our Friday night bingo the players all had chocolate candy. We always gain weight on that weekend. It's not healthy but it's good.

Our 30 Year Anniversary Celebration on Saturday, June 18 was a great success. The day was packed with fun things for everyone! We kicked it off with a free pancake breakfast from 8:00 am to 10:00 am. For the rest of the day, members and guests got to enjoy the game truck, food trucks, carnival games,

dunking booth, photo booth, face painting, popcorn, cotton candy, live music and an RV show.

excitement! After that the fun continues with karaoke and dancing at the pavilion. We hope to see you here.
