We will be kicking off our Independence Day weekend celebrations on Saturday, July 1.

As you all know this weekend is one of the biggest weekends of the year as we prepare for a large

influx of campers. We plan to celebrate with activities such as bicycle races, egg toss, sack races, limbo, cake walks and bingo. When the sun goes down, set you lawn chair up along the banks of the river and be ready for plenty of Red, White and Booms during our annual fireworks show.

The park is thriving with all the rain, sun and laughter while everyone is working hard so they can enjoy their leisure time with friends and family around the campfire.

We had the pleasure of hosting two wonderful family events full of love, food, and fun. Beverly and Elmer Trombley met on a blind

campground, most of which you can do on your own schedule. Enjoy hiking, biking, kayaking, tubing, fishing and swimming in one of our two swimming pools. Fishing is always a favorite pastime whether fishing off the river bank or in your boat.

We have RV and tent sites along with three rustic cabins all on the banks of the popular Bogue Chitto River. folks was that rather than rent a motorhome, they had a beautiful Class B coach shipped over from Europe and after they finish their extended holiday, will ship it back home. This was the first motorhome we've ever seen here with European license plates.

For those who do visit this time of year, there is still plenty to do here and more and more activities are being added in the area every year. Village Fest is one of the most popular events, held every Thursday night in downtown Palm Springs. Though days are

very hot now, evenings are gorgeous and large crowds enjoy casually taking in the food, entertainment, art and other booths at Village Fest.

If you're an aviation fan, Palm Springs Air Museum is definitely the place to check out any time of year. Not

We wish you all the best 4th of July ever and look forward to seeing you soon!

their 60th anniversary was no different. They renewed their vows in a ceremony performed by Pastor Ed with his wife Darlene also in attendance. They all gathered to celebrate, reminisce and eat.
