"There are two deserts," Randall Henderson wrote in his 1937 Desert Magazine letter.

He went on to write that the desert seen by the stranger speeding

The **All American RV Club** is our growing network of RV Parks and campgrounds that offer significant discounts (most are 50% off their regular rates) to the members of All American RV Parks. There is no book to buy, nothing new to join or any additional cost to be part of this program - it's open to all members in good standing. Just show your **All American RV Club** membership card!

nights studded with stars, an arid landscape hardy enough to sustain even the most prickly things, and wide-open spaces in which to breathe, inspire, and create.

One of those dreamers took a chance over 50 years ago and built a KOA RV park a full decade before Cathedral City incorporated. Thankfully that RV park became your favorite place to come and enjoy Winters with your friends and family – Cathedral Palms RV Resort.

As those of you who often visit Cathedral Palms know, we have been improving the park and updating infrastructure constantly over the past decade. When you read this, the electrical upgrade will be complete and every site will be connected to the new main Edison transformer through our switchgear and various transformers and all new wiring, conduit and power pedestals located throughout the park. To say we're happy to have this project complete is an understatement!

We hope you're enjoying your Summer adventures and look forward to seeing you here for the Winter season. Be safe and by all means, make your reservations early; we're going to be packed!

Our version of The Amazing Race, one of 2022's new themes, was held throughout the park and attracted lots of competitors. Over two days, teams had to put puzzles together, find a coin that had the same year as the founding of the park, and ended with them having to catch a fish at the pond using a bamboo pole they built. In the end, it took longer than expected, but it was so much fun it will likely be back for 2023.

Last but not least, we have a new character that you'll be seeing around the park this year. While it doesn't have a name yet, we now have our own star to greet the kids and guests during events around the park. Be sure to get your picture taken with it, it loves to interact with all our guests.

Our Star needs a name. Tell us your ideas!

Speaking of activities in the park, we had a jam-packed Memorial Day Celebration this year. We expanded the listening area around the clubhouse and enjoyed the great music provided by Marquis 66. Add in the cornhole tournament, the golf cart parades and our candy bar bingo and it's easy to say if you didn't have fun, you didn't try!

We can't wait to see you all around the park soon, where we're remaking memories, one campsite at a time. Reservations are going fast, so don't delay, call today to lock in your visit!

98 West entertained on Memorial Day Weekend

Coming August 20 we will have **Loose Change** appearing in concert. Other activities will be announced after July 4th weekend.

Plans are being finalized for Labor Day Weekend and those too will be announced after the July 4th weekend.

Memorial Day Weekend went over great with all of our guests. Not only did we have **Hoggwood** in concert on Saturday night but an extra treat on Sunday afternoon; the first appearance of **98 West**. These young men entertained not only our guests but a record breaking attendance at the gate.

Jeramie Ross won the Lowe's gift card

Winners of the most patriotic RV site were Joe and Dawn Walker. They received a delicious cake baked by Peggy Thomas.

We are pleased to introduce everyone to Ally the Alligator, our park mascot. Ally rides through the park every Saturday to visit with the kids and have photos taken with them.
