Beth, our Super Cleaning Guru!

Renovation of the rental trailer in space 28 will begin this month. All of the propane appliances will be replaced with electric (stove top, water heater, furnace). Heating and

cooling will be handled by a mini split, the RV toilet will be replaced with a residential unit and a new back splash will be installed above the stove. She has scrubbed the entire room, from ceiling to floor, with a 4 inch scrub pad attached to a drill motor. You won't find a cleaner bathroom anywhere. She also deep cleaned

the showers in the men's and women's restrooms and installed new shower curtains.

Next project is the laundry room. A fresh coat of paint and some new curtains on the windows will give it a new look. Maybe we can't make doing laundry a pleasant chore, but we can make the place you do it, a more pleasant place!

Until next month, safe travels if you are on the road.

Kids Bingo and Family Bingo have become a hit with our campers. Kids play free and get kid's prizes.

Our new Activities Team, Skyler and Avery Meyers, is doing a great job organizing activities for our camping kids. They have come up with some very unique activities; kickball using water slides and small inflatable pools.

The July 4th Holiday features lots of activities, food and music. The highlight of the weekend will be the activities

in the park, and we still have four more yet to come this Summer.

We finished updating our sand volleyball court and our camping families are already having a good time playing in it. From volleyball games to just sitting and playing in the sand, this area has become one of our families' favorite places to play. We are already planning on having our first sand volleyball tournament in the upcoming weeks.

We're about to come up on some of our favorite themes in the next couple of months. For July we'll

have Survivor and Christmas in July, followed by Throwback Weekend and our Cardboard Regatta in August.

If you haven't put your reservation in yet, you really need to call the office soon.

Until next month, keep on making memories, One Campsite at a Time!
