The Palm Springs area is celebrating July 4th BIG this year, with multiple fireworks and drone shows.

It's already been a great season and there's so much more to come as Summer progresses!

August is shaping up to be an unforgettable month, packed with exciting activities and events for everyone.

A peek at the putting green

For our part, we're offering the resort's first ever 30% discounts on RV sites and trailer rentals to allow you to visit, enjoy and save significantly while taking in these spectacular events.

Rowdy and Wilder

Word has gotten around that Hidden Springs RV Resort is the place to be for having fun this

The **All American RV Club** is our growing network of RV Parks and campgrounds that offer significant discounts (most are 50% off their regular rates) to the members of All American RV Parks. There is no book to buy, nothing new to join or any additional cost to be part of this program - it's open to all members in good standing. Just show your current **AARVP** membership card!

Summer. In addition to the great camping, we also offer a wide variety of activities for both adults and kids.

The two pools have been jumping since schools let out. On Friday nights we have karaoke and dancing at the front pool. Ally's

Snack Shack is open to offer all the good stuff to eat, especially our soft serve ice cream. In addition, we offer miniature golf, disc golf, game room and playground.

Father's Day weekend we treated Dads to a southern Catfish Dinner with all the trimmings. As I have said before, food is a big thing here in south Mississippi. Everyone enjoyed the meal and then the great music of Ransakk. Ransakk is a local band with a huge following playing a little country, a little rock and a lot of oldies.

To add to the great Father's Day weekend, we added four new members.

Plans to open our time capsule are being finalized. The last weekend of July we will open a time capsule buried here 40 years ago. We're

planning a party and can't wait to see what is inside.

As always, we are thankful for our family of members, all willing to help wherever they can.

We could not do what we do without them and our great

Karaoke night

employees. We have some of the best employees around. They all go above and beyond if we need them.

Don Mathis, General Manager

everyone to enjoy. Here's a preview of what's in store:

Returning this year, the beloved Classics in the Park Car Show promises to be a haven for automobile aficionados. Scheduled for the first weekend of August, this event will transform the park into a stunning display of automotive history. Classic cars from different eras will be on exhibit, offering a nostalgic trip down memory lane. Participants and visitors will have the chance to admire meticulously restored vehicles, each with its own unique story and charm. Car owners and restorers will be on hand to share their passion and insights, making it a perfect event for both hardcore gear heads and casual observers.

Following the car show, prepare for a Splash-tastic time with the Water Wars and Luau weekend. This event combines the thrill of water-based activities with the relaxed vibes of a traditional Hawaiian luau. Families and friends can engage in friendly water balloon fights, participate in water gun battles, and enjoy various water-themed games. As the day turns into evening, the festivities will shift to a luau celebration. It's the perfect way to beat the August heat and soak up some fun.

Get ready to channel your inner shipbuilder and sailor for the Cardboard Regatta! This inventive and hilarious event challenges participants to construct boats using only cardboard and duct tape. Once built, teams will race their creations across the park's pool, battling each other and testing their engineering skills. Creativity and teamwork are key, as the most seaworthy – or at least the most entertaining – vessels compete for a variety of prizes.

For those with a competitive streak, our Olympics Weekends will offer a

chance to shine. These events will feature a range of sports and activities designed to test participants' athleticism, strategy, and teamwork. There's something for athletes of all ages and skill levels. The spirit of the Olympics – friendly competition, perseverance, and community – will be on full display, making for a memorable conclusion to a month of fun.

Capping off this incredible month is the grand Labor Day celebration. This long weekend will feature a variety of festivities to honor the contributions of workers and celebrate the end of Summer. Highlights include live music performances, a parade and family-friendly activities. It's the perfect

Sharon and Sam

way to wrap up a month of fun and festivities, bringing the community together in a joyous celebration.

With such a diverse lineup of events, August is set to be a month of endless excitement and enjoyment. Whether you're a car enthusiast, a water warrior, a budding boat builder, a competitive athlete, or simply looking to celebrate with your community, there's an event that's just right for

you. Gather your friends and family, mark your calendars, and prepare to make some lasting memories. We look forward to seeing you there!

Continuing our series on highlighting our incredible team, we are thrilled to introduce you to Sam and Sharon Stires. This dynamic duo plays a crucial role in maintaining the beauty and charm of our campground, and their hard work does not go unnoticed.

Sam and Sharon are true artists when it comes to landscaping. Their vibrant flower beds bring a touch of nature's beauty to every corner of the campground. After each guest departs, Sam and Sharon spring into action, meticulously cleaning our rental campers to ensure they are spotless for the next visitors. Their attention to detail and commitment to cleanliness provide our guests with a comfortable and welcoming environment.

But their contributions don't stop at landscaping and cleaning. Sam and Sharon bring fun and excitement to our community by calling bingo games and selling 50/50 raffle tickets. Their friendly and enthusiastic presence makes these events enjoyable for everyone.

We are incredibly grateful for Sam and Sharon. Their tireless efforts and unwavering dedication make our campground a beautiful and enjoyable place for all. If you see them around, be sure to give them a wave or a thank you for all they do. Their hard work and passion are truly the heart and soul of our campground community. Stay tuned for more staff spotlights as we continue to celebrate the amazing individuals who make our campground special!!

Darren Rambo, Manager

Golfers, you're going to LOVE this!

Palm Springs, Palm Desert, Rancho Mirage, Indio, Coachella and Desert Hot Springs all have events planned. In addition to fireworks, Agua Caliente Casinos locations in Cathedral City (which is less than one mile from us) and Palm Springs will also have live music events during Independence Day weekend. There's even one nearby fireworks display that allows you to watch from the comfort of your car or truck!

For fans of both baseball and fireworks, Palm Springs Power will compete against a collegiate All Star team on the 4th, followed by their annual fireworks show. The Power roster is comprised of elite college players from all across the nation, as well as the Coachella Valley.

Meanwhile, along with readying the park for your upcoming holiday visit, we're working diligently on upgrades that will be ready in plenty of time when Winter season begins and the park fills to capacity.

The putting green is substantially complete, with only some finishing

touches necessary. Golfers, you're going to love this!

Beth, who seems to be a non-stop working dynamo, after cleaning and

Laundry room painting thanks to Beth

painting the laundry, has now embarked on the mission to paint the restrooms as well. Go Beth!

We've also transformed the outside space on the rental trailer in Site

28. All new outside furniture now resides under the newly installed gazebo.

Continuing projects include building new wooden tables for the Social Center, adding more decorative plants in the office and elsewhere and automating irrigation throughout the park.

I hope you've been enjoying my videos on both Camper Hacks and Campground Does and Don'ts. If you haven't seen them, they are on both our Facebook and Instagram pages, where you will also find constant updates on the park. Please take a look and let me know what you think; I'm also very open to suggestions on future subjects to cover in this series.

From all of us here, have a wonderful and safe Independence Day celebration and take heart that

we're now just that much closer to your arrival for the Winter season!

Bob Coleman, Manager
