Meanwhile, the desert is becoming a year 'round destination with far more events to enjoy every year.

First up is Power Baseball Club, which recruits elite collegiate players from around the country to come to Palm Springs and play baseball in the months of June and July. Power ball games are great fun, inexpensive and feature some truly talented athletes, some of whom are definitely

Another popular June event is the 25th Annual Palm Springs International ShortFest, the largest short film event in North America. ShortFest receives 5,000±

submissions from over 100 countries around the globe and has presented more than 100 shorts that have gone on to receive Oscar® nominations and/or awards. The Festival runs June 18-24.

Regardless when you choose to visit, we'll be here eager to host you and your family!

**Days by the campfire make life worthwhile**

Both of our pools opened for Memorial Day weekend. We are very pleased with the abundance of reservations pouring in for the weekends and we are excited about that visitors are coming to visit and tour the park.

**Our new mower is getting LOTS of use!**

Easter weekend was a busy and fun time here at Hidden Springs. Thanks to Amy and Amber the kids had a great time. We had an Easter egg hunt, best decorated basket contest, bike races and egg toss contest. The adults enjoyed a cake walk and Easter Basket walk and everyone had fun Saturday night with a DJ and some awesome line dancing.

A lot has changed here for the better and there's more to come. Keep in touch with our Facebook page and better yet, drive out for a visit. Happy Fathers Day!
