## Latest Update on our response to COVID-19

As the situation remains fluid, please check our website at <https://aarvparks.com/covid-19/> for the most up to date information. The Home Office staff is available as usual, M-F from 8 AM to 4 PM Pacific Time. Guests may contact the Home Office for new reservations, changes, cancellations, checkin, payments and checkout. Remain calm, stay safe, practice Social Distancing and please follow all CDC health guidelines!

**O**ur slow season is upon us but we still have 45 coaches on site enjoying the Summer desert heat.

As always we're taking advantage of the lull to take care of maintenance items that are difficult to accomplish when the park is full.

### Removing a tree stump

As we detailed last month, Mike is still hard at work renovating the showers, a task that will continue throughout the next couple of months. Once that is completed

from Florida and he will be our new on-site Maintenance "guy".

**O**nce the stay-at-home orders were lifted and Spring began to bloom, we were able to welcome back our seasonal campers starting May 2.

Our Camp Workers are continuing to work on the new enhancements

to the clubhouse along with Spring maintenance and general upkeep.

The **All American RV Club** is our growing network of RV Parks and campgrounds that offer significant discounts (most are 50% off their regular rates) to the members of All American RV Parks. There is no book to buy, nothing new to join or any additional cost to be part of this program - it's open to all members in good standing. Just show your **All American RV Club** membership card!

### Cathedral Palms, continued from page 1

we'll be moving on to renovate the rental trailer. We plan to replace the carpeting with wood flooring, improving the air conditioning, adding some form of

shade structure over the patio and a few more items to make it more comfortable for renters.

In the clubhouse we'll be adding cabinetry in which we can store game items such as pickle ball paddles

**Newly completed Civic Center amphitheater**

and balls, corn bags and other items members and guests can check out to enjoy in the Social Center.

Work is continuing on the new casino less than a mile from the park and the new amphitheater is complete and just a short walk from the park.

We hope you're making plans to enjoy the next season with us. Stay safe during your Summer travels.

### Ice Cream Anti-Social (Distancing)

On Mother's Day, the volunteers held our first socially distanced Kid Craft that included a take back to your

site flowerpot, plant, decorations, glue, and directions to brighten up all of our Mothers' days. In the

afternoon, we also held a socially distance golf cart scavenger hunt. Campers from individual campsites searched for hidden flowers with letters attached. After finding all the different flowers, the letters spelled out 'Happy Mother's Day'. Seasonal campers rounded out the day with our first socially distanced golf cart parade of the season.

We are once again open to the general public. As the season continues, we will continue our enhancements to the park, while looking forward to hosting our members and guests as we adapt to the new normal.

### Quite a turnout for the Ice Cream Anti-Social (Distancing)

**Bike winners Ashley Fassbender (above) and Billy Arnold, (below)**

Originally from Binghamton, New York, Scott retired from Corning and Linda is an RN. Scott helped us with a park revitalization in Florida and he can do anything and do it right. We are so lucky to have them with us. One of the first projects Scott is working on is the Guard Shack. He is totally updating and dressing up the building.

After being closed for 2 ½ weeks we reopened and have been going non-stop since. Everyone is so excited to be able to be outside and enjoy a little

relaxation while social distancing. The weather, for the most part, has been cooperative.

Unfortunately, we had to cancel Easter activities but we had a great time on Memorial Day Weekend.

**Bike winner Shelbi Barnes**

Instead of the usual activities we had an M&M Guessing Contest and Astin Hatfield was the winner of the \$10.00 cash prize for guessing the correct number M&Ms in the jar.

We also had a drawing for a girl and boy bike giveaway.

The Teen Center has been remodeled to become a Club House. It will have a small kitchen and an area for gatherings.

Work on the cabins continues and hopefully they will be ready to rent shortly.

We look forward to seeing you soon!

**Matagorda Bay Nature Park, an AARVP Club affiliate**

**Even though Matagorda Bay Nature Park** will forego its traditional Summer camps due to COVID-19, the park will introduce an alternative experience for smaller groups called LCRA Parks Nature Days. Groups, with a maximum of five participants from the same household including an adult 18 or older, will enjoy birding, scavenger hunts, sandcastle building, archery, survival skills and more! To learn more and register, visit: [lcra.org/naturedays](http://lcra.org/naturedays) or call 979-863-2603.
