Please welcome Dave Carter as our new Cathedral Palms reservation manager!

Many of you already know Dave and his husband Randy from their years of volunteering here.

The **All American RV Club** is our growing network of RV Parks and campgrounds that offer significant discounts (most are 50% off their regular rates) to the members of All American RV Parks. There is no book to buy, nothing new to join or any additional cost to be part of this program - it's open to all members in good standing. Just show your **All American RV Club** membership card!

the perfect choice to manage our reservation office.

Hailing from San Antonio, Dave started his lifelong hotel career at his uncle's hotel on Miami Beach. He later headed west to San Francisco for a position with the Holiday Inn Fisherman's Wharf and it was there, in the City by the Bay, where he met and married Randy.

After 20 years in San Francisco, Dave and Randy moved to Cathedral City where Dave became the Chief Building Engineer for the Holiday Inn Express and later helped The Parker Hotel complete a \$17 million renovation.

In 2006 they left work life behind, became full-timers, and for three years covered 70,000 miles exploring the country before dropping anchor at Cathedral Palms in 2009. Together, they played an important role in assisting with the ongoing renovation of the resort.

And now, the big news here - we're expecting! One of our roadrunners nested in an oleander and laid nine eggs. It's good to know there will be more cute little 'runners around the property this season. If you

raccoons on the property. If you crave more daring water activities like canoeing, kayaking, tubing, or fishing, we have those too! Did you forget to bring an item along? We may have just what you're looking for in our new General Store. Our new bathhouses will welcome you with modern amenities.

Slip on down to the banks of Bouge Chitto River to catch a mess of bass, bream, crappie, or catfish. I'm sure the younger ones (and the older ones too) would enjoy the cool spring-fed creek or maybe the pool. If you're a sports enthusiast, you can get some exercise on the basketball or tennis court. of stress release, grab your lawn chair, stretch out and enjoy the sights and sounds of the resort. What you will see and hear are the owls, crickets, bullfrogs and other night creatures while watching the light show of fireflies dancing in the night.

On holidays we offer arts and crafts, live music, contests and other activities. A full slate of July 4th festivities will begin July 3rd, with a bike race beginning at 10 am, followed by a cake walk at 11. How much watermelon can you eat? At 1 pm we'll find out with a watermelon eating contest. That afternoon, there will be live music and a fireworks show at dark. On July 4th, sack races will begin at

social. Then, in the afternoon, we will all gather as a family for a potluck dinner (campers bring side dish and their drinks, everything else provided).

Hidden Springs RV Resort offers a wide variety of activities for the nature loving camper. When you visit, you will meet friends that become family. Managers Bryan and Amanda will make you feel right at home. In fact, you may not want to go back home after enjoying the tranquility of our resort!

### Scavenger hunt winners

more things than ever to do here at Tomorrow's Stars RV Resort and comments from the campers have been extremely positive. Tons of thought and care go into each planned activity at the resort and it shows!

On Mother's Day weekend, we had the ultimate battle between pancakes and sausage and results showed you can't have one without the other! We served over 100 meals on a cold and rainy weekend, so you know it was good. Our guests drove up and picked up a delicious meal of pancakes, sausage patties and sausage gravy and biscuits. No one went away hungry!

### Craft eagles bring smiles!

We have also tried out a few new kid's activities including fun with a parachute and even ax throwing! We love to see the kids happy and enjoy making lifetime memories - and even better is watching the kids "unplug" and enjoy the weekend without video games and social media. In the next few weeks, we will be revealing some fun new weekend themes including the much-anticipated Survivor Weekend.

We are working to make our volunteers more recognizable in the park and if you have a question, do not hesitate to stop someone and ask!
