Summer has arrived with a vengeance, as temperatures in the area have already reached 104 and will only increase in the coming months.

That has not deterred us from completing off season upgrades

Kevin Fish, our 'New Guy'

and repairs that will make your camping experience the best it can

The Event Center now includes an outdoor cooking area and bathrooms.

There are still a few finishing touches to complete but the Event Center will

New Event Center bathroom

certainly find a lot of use during the upcoming Summer season.

While we are still putting the final obstacles on the individual holes,

Welcome to Springtime in Ohio, where one brisk, 40 degree day becomes a sticky 85 degrees the next.

Our season has taken off a little slowly due to unseasonably cool and wet weather but we have been

Kids crafts

able to make last minute changes in the activity schedule to ensure fun is being had by all!

The **All American RV Club** is our growing network of RV Parks and campgrounds that offer significant discounts (most are 50% off their regular rates) to the members of All American RV Parks. There is no book to buy, nothing new to join or any additional cost to be part of this program - it's open to all members in good standing. Just show your **All American RV Club** membership card!

Hidden Springs, continued from page 1

Randy Wall grilling Ally Dogs

the miniature golf course is being used every weekend. We are still looking for farm animal props and other unique items.

The concrete work and painting of our pool at the river area has been completed. Over the next couple of

weeks, we will be adding chairs, tables and other décor; regardless, none of this has hampered anyone from enjoying the water!

Plans for July 4th weekend are being finalized. Fireworks, music and food will be available for everyone, making it a full day of fun for everyone. Our Fireworks Show is always spectacular!

This year the holiday music will be provided by a young man who is an Elvis Tribute Artist. Nick Perkins has won numerous awards for his Elvis tributes.

Ally's Hot Diggty Dogs Wagon will be offering hot dogs, sausage dogs, hamburgers, fries and fritos chili pie. Ally has been a great success with all the campers and the food is delicious. We are grateful for Sandi and Randy Wall and Curt Bush for all their help.

Don Mathis, General Manager

Our beautiful refurbished pool

In a first for us, we hosted travelers from the Czech Republic. The Solar family enjoyed two days at the pool

be. We are busy replacing all of the PVC water faucets with metal and adding new lead free spigots. This will decrease the number of annoying leaks and broken water lines.

In the coming weeks we will be retrofitting the rental trailer on Site 28 with an induction cook top, residential toilet, mini split air conditioning unit and electric water heater. These changes enhance safety, make guests more comfortable and eliminate the need

for propane and emptying holding tanks after guests depart.

On April 26 we welcomed a new employee, Kevin Fish, to our family. Kevin has a background in plumbing and is a welcome addition to our crew. He and his wife Linda bought a membership and decided to call Cathedral Palms home.

We also hosted the Martin Solar family from the Czech Republic last month. The father had no more

than signed the receipt when the mother, their two girls and son, towels and bathing suits in hand, headed straight for the pool! We believe the Solars are the first family we've hosted from the Czech Republic.

In keeping with the "sprucing up" theme during the off season, Beth and I purchased paint and plan to do the laundry room with some fresh new color (mostly Beth will do the painting).

Of interest to sports fans, Power Baseball kicks off their season with a gigantic fireworks show on Friday, June 2 at Palm Springs Stadium. The games feature up and coming college athletes and are great entertainment, especially with ticket prices of only \$10, \$8 for Seniors.

Besides June being the month when we celebrate Father's Day (June 18), I noticed that June 1 is "National Say Something Nice Day"; just sayin'!

Hope everyone has a wonderful summer, wherever your travels may take you. Travel Safe and have a very happy Father's Day!

Paulette Davis, Manager

'Uncle Bob' continues work on the Premium Site.

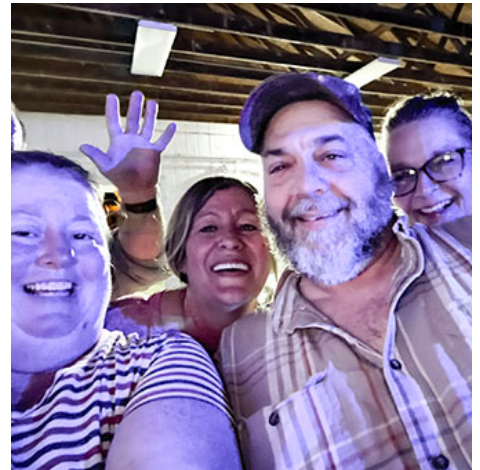

Sky Lewis sunning on the Ohio sign

We started off the season with a couple of big weekends, which included some truly hysterical game shows and the ever popular casino night. Many families walked away with some really cool prizes for coming out and playing our games. Mother's Day started with

our annual pancake and sausage breakfast, served and enjoyed while dodging rain drops. Still, by the end of the night, smiles could be seen all around as families enjoyed participating in the first dance party of the year.

Other projects around the park include upgrading the volleyball court, which will be dug out and turned into a sand volleyball feature. Staff are also trying to get the pool open for Memorial Day weekend. The concession stand has also been overhauled after a few-years hiatus and will be open for snacks and cold beverages soon.

We have also brought back another favorite – the ice cream wagon! Volunteers will be found driving it around on nice weekends

Kara, Tammy, Terry and Kim at the Mother's Day Dance

– usually followed by groups of excited children. All profits raised from ice cream sales are funneled directly back into our activities budget.

Looking forward to our first big holiday weekend which will bring a full park and a new band to our center stage. Get your reservations in now so you can experience all that Tomorrow's Stars has to offer!

Until next month, Happy Camping!!

Darren Rambo, Manager

The "Not So Newlywed Game" proved to be popular during Game Show Weekend
