Summer Days & New Faces at Cathedral Palms

As we kick off the second half of 2026, we're taking advantage of the quieter summer months to focus on improvements and projects around the park. While many of our seasonal guests have headed north for cooler temperatures, Cathedral Palms remains a beautiful place to enjoy sunny days, warm evenings, and the relaxed pace of desert living.

We are happy to welcome two new team members to Cathedral Palms. **Rick Delagarrigue** has joined us as a Part-Time Maintenance Worker. As a permanent resident of the park, Rick takes great pride in how Cathedral Palms looks and feels for both residents and arriving guests. He has quickly jumped into repairs, maintenance, and beautification projects around the resort.

We are also pleased to welcome **David Pendleton** as our Part-Time Office Assistant. David, who is also a resident of the park, will be helping in the office while Wayne enjoys a well-deserved vacation to Canada during July and August.

Speaking of **Wayne**, we are excited to announce that he was promoted to **Assistant Manager** in May. Wayne will continue working alongside me in an expanded role to help keep the park running smoothly and ensure our guests have the best experience possible.

The pool remains a favorite gathering spot during the summer months. Guests enjoy relaxing, cooling off, and soaking up the desert sunshine. We even had a few unexpected visitors stop by this season. A pair of ducks decided our pool looked like a great place to take a break!

Welcome David & Rick!
