This season, it seems as though everywhere in the country, people are talking about the weather, and it's no different here.

While the park did not sustain any significant damage, the road leading to our driveway, Cathedral

As you all know the ground hog Punxsutawney Phil did not see his shadow, so according to him Spring is right around the corner!

The birds are chirping, the fruit trees and daffodils are blooming, and the days are finally getting

We are excited to announce the arrival of our new tractor, which will allow us to perform maintenance while minimizing the cost of utilizing outside vendors.

We have members that currently and in the past have brought equipment in to help with various

activities here. All of their help has been greatly appreciated and will always be welcomed.

We are working diligently to get ready for the upcoming season.

planning a Spring break Hidden Springs camping getaway. Camping here for Spring break gives you an affordable way to squeeze the very most out of

Melissa, Louise and Linda

those few days off as you savor the slowly warming weather. Whatever your style, be it total relaxation, enjoying what the local area has to offer or fishing and canoeing in the Bogue Chitto River, camping with us is a great way to go! Kiss the city life goodbye, pack up your tent, hook up your RV, or plan on staying in one of our rustic cabins. Come make memories that will last a life time. We hope to see you soon!

Winston and Sheila McDaniel, Managers

(Matagorda Bay Nature Park is a member of the AARV Club system, which is available to all AARV Parks members in good standing. As you travel, make sure to check the AARV Parks website for locations, availability and new additions.)

Beachcombing in Matagorda, Texas, is never better than in Winter after a cold snap! Shells, sea stars, barnacles and much more wash up onto the shore, just waiting to be found.

The All American RV Club is our growing network of RV Parks and campgrounds that offer significant discounts (most are 50% off their regular rates for the first night of your visit) to members of All American RV Parks. There is no book to buy, nothing new to join or any additional cost to be part of this program - it's open to all members in good standing. Just show them your current All American RV Club membership card!

With all the input and assistance from our camping community, we feel confident that this will be a successful year. The Volunteer force is seeing a

### Our new tractor!

bunch of new faces this year and we would like to welcome all our new Volunteers to the team.

Our Activity schedule is undergoing some changes as we plan to add some new experiences for all ages. A lot of activities from last year are returning, along with some new ones.

The weather has been crazy. We have gone from -20° to 60° all in the same week. Snow on Monday to

rain on Wednesday and back to snow by the weekend. For us Spring can't come soon enough. Since the Ground Hog did not see his shadow we're looking forward to an early Spring but we will believe it when we see it. This is Ohio!

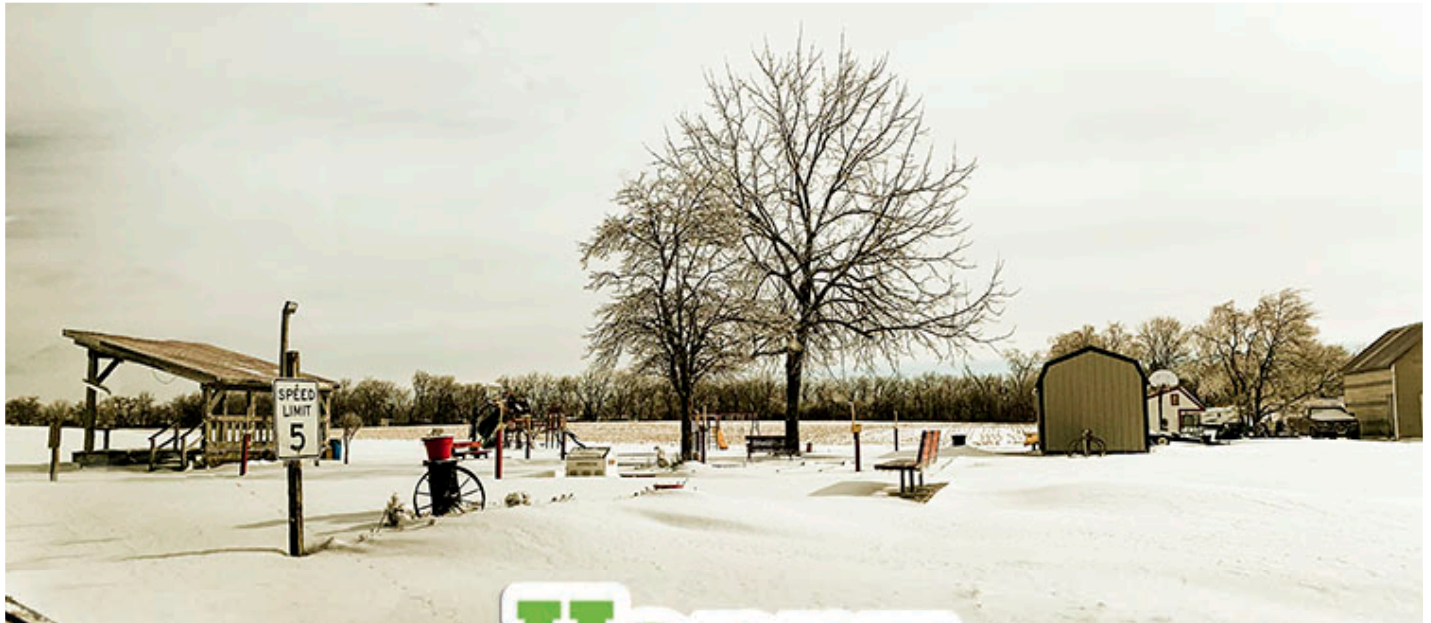

The new maps are in, along with a new set of Park Rules. There have been quite a few changes so

### Our gazebos arrived from the Home Office

please take an opportunity to go over the new rules. We want to make sure we have an opportunity to address any concerns so please feel free to contact the office with your questions.

# Happy

# St. Patrick's Day

disrupted traffic for a few days, this time was different.

With water flows estimated at 15,000 to 22,000 cubic feet per second (cfs), the roadway sustained significant damage. Repairs are underway to restore two lanes of the original four lane crossing, hopefully by the end of March. We're looking forward to

**The day after...**

construction of a new bridge, which is approved and shovel ready, beginning before the end of the year.

**Cristopher Cichocki's "Desert Sea"**

Thankfully, the just-completed bridge on Date Palm Drive the next street to the east, held up just fine so access to Cathedral Palms RV Resort is easy and safe.

So, we had a bit of weather to deal with here nothing compared to other parts of the country, which is why we're still THE place to go for the Winter season!

One of the best assets we have, besides our incredible Volunteer crew, is that we're centrally located, with lots to do just a walk away. Restaurants

and movies are at and around the Civic Center, which is a few hundred yards from the park. Best of all, the city of Cathedral City has stepped up its efforts to provide great entertainment events.

Currently, Cristopher Cichocki's massive art installation, entitled "Desert Sea" is on display and it is spectacular! It's made from materials derived from the Coachella Valley that include Salton Sea barnacles, living aloe vera and reclaimed irrigation tubing that once watered the mass of abandoned

orchard branches on view within this large-scale artwork. It is also lit at night with black light to simulate perceptions of deep-sea bioluminescence.

There's plenty more to do here, both on and off the park. Our food events are legendary and our Social Center is taking shape for both games and socializing. We'll be celebrating St. Patrick's Day with the traditional corned beef and cabbage potluck at our Saturday Night Campfire Potluck Dinner, something you really have to experience! A Food Truck Mash-Up is coming at the Civic Center March 16, featuring over 25 of the best Southern California food trucks. March 29-31 brings three days of fun for everyone at the 5th Annual Cathedral City LGBT Days.

It's no wonder people enjoy RVing here. We've got a great Volunteer crew, the food is awesome, the people are friendly and the sun shines bright nearly every day.
