As we prepare to celebrate St. Patrick's Day, Spring comes to the desert, bringing awesome pool weather along with it.

While our Members and guests enjoy outdoor recreation throughout our high season, this is

Ken is our BBQ guru!

the time of year when the urge to golf, play pickle ball, walk, hike, swim and bicycle kick into high

As we continue to work on our off season projects, today we can add another one to our list of completions - our propane filling station is now "Open for Business"!

We will not only be open to our Hidden Springs guests but to the

Easter bicycle giveaways

public. We will be open 7 days a week and pricing will be competitive.

Work on the cabins and surrounding grounds continue. Two additional RV sites have been added adjacent to the cabins.

Spring is not far off and we look forward to being in full swing.

To this point we have had a really mild Winter compared to past years, with record amounts of rain rather than the snow we're used to.

We are doing our best to complete some upgrades to the electrical

Ongoing road widening

along with well-needed maintenance on the roads. Our roads here at the park have narrowed over the years, so the

The **All American RV Club** is our growing network of RV Parks and campgrounds that offer significant discounts (most are 50% off their regular rates) to the members of All American RV Parks. There is no book to buy, nothing new to join or any additional cost to be part of this program - it's open to all members in good standing. Just show your **All American RV Club** membership card!

**Another new RV site, this one on the river**

Easter plans are already underway. We are expecting a very important guest that weekend and have set up a photo time so you can have your picture taken with him.

We would like everyone to know that we are all fine here, just a little damp from all the rain. We do ask

that you keep us in your thoughts and prayers as the weather continues to be an issue here.

**Clearing land for new primitive, river view sites**

We ask also that you keep the folks north of us (especially the Jackson area) in your prayers. The rain and tornadoes have been brutal to them. Many have lost their homes and others have had to leave their homes because of the flooding.

Please make plans to visit us soon and discover the many positives changes taking place here!

current goal is to widen them throughout the park, making it easier to navigate through the resort. With

### Who's ready for a pig roast?

all the rain this has been a challenge but progress is still being made. The continued maintenance on the sewer plant has also been ongoing and we are closer to our goal of completing the much-needed repairs of the system.

The 2020 Activity Schedule has been completed and should be available soon. We will also be putting it on Facebook. With over half of the Camp Workers being new this year, we look forward to seeing some new

ideas come to light. Our focus is family and the schedule will reflect that. The food events will continue to grow. We are planning two hog roasts again this Summer, along with three live bands, movies in the woods, and more drive-ins.

### Widening roads for better access

We want to thank all of our Camp Workers for the great effort they have put into preparing the schedule. We look forward to another great year of making memories here at Tomorrow's Stars.

gear. Cool nights give way to beautiful, sun-filled, warm days when one can't resist outdoor recreation.

Of course, all of that activity requires plenty of fuel to accomplish so we are all about food here! Wednesday nights find us Dining Out as a group at

local restaurants. Fridays bring out the burger fans as we grill cheeseburgers, featuring our (almost)

### A campfire always makes for a relaxing evening

famous 4 x 4, in the Social Center. Our biggest event of the week is the Saturday night campfire potluck

dinners, where Paulette, Gayle, Ginger and Sharon prepare all sorts of entrees, from pasta to fish,

tacos (seven different meats), rice, black and brown beans, appetizers, desserts and drinks, including one punch of the 'adult' variety! It was all free and in total, the turnout exceeded 120, making for a resounding success we hope will return next season.

Everyone wanted a peek inside this beauty

steaks, chops and more for the hungry crowd. With the park filled to capacity, this event draws upwards of 100 RVers, and we consider anything under 70 to be a small crowd!

Add to that the many outdoor cookouts at various RV sites and the aroma of great food wafts through the air all evening.

One other area that has become popular, especially with the installation of gazebos, is the pool. We experimented by putting a portable barbecue in one corner of the enclosure and it immediately went into

Pickle ball is a favorite here

Choosing your taco filling...decisions, decisions!

Absolutely the highlight of last month was AARVP President Leo Novelli throwing a Wednesday night Member Appreciation Party. We enjoyed catered

operation. So far it's been the site of a small lunch and a rather large birthday party. This month, we're having a Going Away Party on Friday the 13th so we can mingle with everyone who is leaving us soon for the Summer. Again it will be free, with hotdogs and hamburgers; drinks will be BYOB but of course, no glass in the pool area!

Also this month, we're having a Swap Meet every Sunday in the Social Center. Empty your storage of all those items you no longer need, put them on display and pass them on to the next RVer.

It's been an amazing season, with the park completely sold out from the first of January until later this month. Please plan to join us next season, but in order to do that, reservations are a MUST. Keep in mind we only have so many RV sites but you may make reservations one year in advance so call NOW to make sure you don't miss out.

Bruce Howell, Manager

Happy St. Patrick's Day
