park, among them a brand new Smash Burger truck!

We have also been doing our homework to find some amazing bands this year. We will be welcoming back old favorites;

hairspray and your leg warmers for a rockin' good time!

As always, we will have live entertainment on all holiday weekends but this year we are excited to add some additional

Cross River Junction on Octoberfest weekend and on July 4th Weekend, Nashville recording artist Ryan Mundy.

For Throwback Weekend, we will be welcoming the 80s cover band, Retrobuton, to the park – it will be time to get out your

weekends. Keep an eye on our Facebook page for more details. Another new addition to the park this Summer is our game room, complete with pool tables and arcade games. Also returning is the concession stand at the pool and ice cream wagon. Volunteers will be driving through the park a couple of times throughout each weekend to sell ice cream and popsicles. Funds earned from the sales will be used to help defray costs of additional bands and activities. Who doesn't want an ice cream sandwich on a hot Summer day?

We look forward to seeing you Making Memories, one Campsite at a Time!!

and Mrs. Glory Clown coming to provide entertainment. They will do a magic show, face painting and balloon twisters.

Our Spring Arts and Crafts Festival will take place April 15. Our Fall Festival in October was a great success and we feel Spring will be

a great event also. We have already started booking vendors. Of course, our Ally Hot Diggity Dog Wagon will be offering hot dogs and sausage dogs.

One of the goals for activities this year is to provide more live music and we have made a good start in

booking some of the best around. Our Valentine Dinner Show was Kyle Wilson and on Chili Cook Off Weekend we'll have The Rainey's from Tennessee.

One of the most popular music entertainers in the South, Jeff Bates, will be here April 29. Jeff lives in Nashville where he records but is from this area of Mississippi. We have already sold tickets to folks from other states. He has a big following and we are very pleased to have him here at Hidden Springs.

As the season progresses more music has been booked. You'll hear about those in upcoming issues of The Scoop.

Work continues on our Winter projects. The pool nearest the River is being repaired and revamped along with new landscaping.

We plan to start work on our new Miniature Golf Course next week.

month the park will be emptying out and we'll be looking at another hot desert Summer during which we work on new projects, along with normal maintenance chores always scheduled for the off season.

Not that we don't have plenty of food and fun left to enjoy this season. On March 15, we'll throw our annual Going Away Party so everyone will have one last

opportunity to hang out with new friends made this season as well as good friends from seasons past. We'll provide great food and drinks for everyone while entertainer Bill Ramirez makes his final appearance this season.

While it's been unseasonably cold and wet this season, we're looking forward to it warming up as March begins. That means lots of

opportunities to take advantage of the bike path that borders the park and ride into downtown Palm Springs without once having to contend with auto traffic. It also means great times to experience the many hiking trails all over Coachella Valley.

To provide plenty of energy for those hikes and bike rides, our regular food events, like Friday hamburger lunches, Saturday night potlucks and Sunday morning breakfasts, will continue throughout March.

On Saturday March 18 our very popular Annual St. Patrick's Dinner will be served, with Bill and Paulette providing the meal of corned beef, cabbage, carrots and potatoes to a hungry crowd.

Finally, March opens with the 7th Annual Cathedral City LGBT Days, March 3-5. It's held at the Civic Center, which is a short walk from the park. This event is best known for its Sunday Bed Race, which has been dominated by the Cathedral City Fire Department crew in past years.

There's still plenty of fun to be had this season so make your reservations now!
