The first big event of the season will be Welcome Back/Easter Weekend, a perfect way to reconnect with friends, shake off the winter blues and dive into the spirit of Spring. Campers of all ages will enjoy traditional Easter festivities, including egg hunts, crafts and a special visit from the Easter Bunny.

Following Easter festivities, the campground will transform into a stage for classic game show excitement. Game Show Weekend will test campers' knowledge, skills, and luck in a variety of interactive games inspired by beloved TV

It was a packed night for Prime Rib on Valentine's Day

Chef Bob absolutely outdid himself with an amazing Prime Rib Dinner in celebration of Valentine's Day. It was definitely a delight for the large crowd who gathered to enjoy evening.

Toward the end of the month we had our first ever Yard Sale. We had scheduled a visit from the LifeStream Blood Bank but sadly a shortage of personnel made it necessary for them to reschedule to another day.

We do have limited sites available, so head on out and join the fun in March!

This weather has given rise to lots of obstacles for assuring that scheduled events happen on time. Valentine Weekend was one of the good ones; we had a great weekend celebrating love.

The Dinner and Music Show went off without a hitch and we fed more than 125 campers with Prime Rib, Shrimp and trimmings.

Thanks go to all of our employees, work campers and volunteers for the incredible work they did to make this happen.

Our Mardi Gras Celebration is always a good time. We celebrated

Delicious Valentine's Day Dinner

March 1 with lots of Mardi Gras traditions. The golf cart parade, raffling a King Cake and having a party are always enjoyed by the many campers who come out to celebrate.

Coming up: Car Show/Arts & Crafts Fair, An evening of Blues, Open House and Members Meeting. All of this in March.

The work that needs to be done does not stop because our season has begun. We have installed a new heating/cooling unit in Cabin 2 and will install a new unit in Cabin 1 in the next few weeks. These units are easier to use and make

the cabins more comfortable.

We have plans to finish our storage lot, repair the roof to our event center and convert our old guard shack to an activity building used to store all our equipment. We have used this as a convenient location for our campers to come and get activity equipment.

We're looking forward to better weather in March but not to worry, the "Show Will Go On" regardless.
