work on the pool is underway; that should be finished by the time you read this. This season looks to be a busy time for us again. School will be out soon, Mother's Day is May 8 and Memorial Day Weekend is right around the corner.

Make sure to plan and join in the fun June 18 for our 30th Anniversary Celebration. It will be an exciting time with lots of activities for everyone. Check out the flyer on Page 3 for more information; we'll also be posting updates on Facebook as we confirm times and events.

Call and get your reservations in early for all the fun.

and as anyone who has been here knows, there are LOTS of them! Fortunately, Don Pitkin, one of our work campers, has taken on that project and with the help of Marcos, has been making great progress. It

takes a good deal of time and effort to maintain the foliage here but Don has things well in hand.

As always, we'll be working on maintenance and upgrades as the Summer season unfolds and will keep you updated both here and on Facebook so check in often.

In the meantime, remember that we still have great weather well into June so give some thought to spending Mother's Day and Memorial Day Weekend in the desert. Every year the local community has more activities to enjoy and we have lots of RV spaces available. We look forward to your visit!

I was surprised with three sacks of boiled crawfish with all the extras on my birthday. It was such a pretty day and spending it with friends and family eating crawfish made it even better.

May is here and that means Mother's Day and Memorial weekend are right around the corner. Treat your Mom to a weekend getaway. Let her

enjoy being lazy and relaxing in one of our two pools, fishing or canoeing in the river, or just sitting around your campsite chatting with friends and family. I am sure she will enjoy her Mother's Day no matter what she decides to do here at Hidden Springs.

A lot of activities are planned for Memorial weekend; there will be bicycle races, sack races, limbo, cake walks, bingo, a DJ and more. So, plan to come camp with us and participate in our activities and celebrate the three-day weekend with us - Saturday, May 28 through Monday, May 30.
