Welcome to May, the month during which we celebrate two groups who have given their all to us - our wonderful Mothers and the many soldiers who fought and died to keep us safe and free.

Each day we wave goodbye to more RVs as our members and

the river while others grilled and chilled at their campsites.

We have been extra busy working in the park, painting, mowing and getting the pools open. It took us a little longer on getting the pools done because of the Spring showers every couple of days, but I'm proud to say that "The Pools are Open" and ready for your enjoyment.

Make Mom a Queen for a Day and whisk her away for a special weekend "Mothers Day" to show her

Mother Goose says...

how much you appreciate her with a camping outing to Hidden Springs. Memorial Day is the unofficial start to the camping season, a nice long weekend that's just begging you to go outside and enjoy. Come take a dip in one of our two pools, wade in the cool spring-fed creek, fish or canoe in the river, play a game of volleyball or basketball or just relax. Whatever you decide to do, we are sure you will enjoy your stay.

Hope to see ya soon,

Wishing you a Happy Summer with cake!

going into the month as more folks are staying longer than ever before. Of course we wish everyone would stay with us but the Summers here can be a bit warm!

This month is when we begin scheduling our Summer projects, some which are annual events and others that deal with improvements and upgrades. Don, our master gardener, is working every day making sure the park's foliage is properly watered and maintained. His next job is huge - trimming all of the Oleanders that define our sites as well as the entire perimeter of

All smiles on the patio

the park. In his spare time he'll still be making sure the pool and spa are clean and crystal clear and the dog park is beautifully maintained.

Meanwhile, we have stored most of the pool furniture inside to protect it from the Summer heat, closed the rear restrooms for the season (the laundry remains open) and will be storing all of the equipment used for meal service inside once it's been cleaned.

Lee is keeping busy until he and Paulette leave later in the month for their Summer travels. He's created

templates to speed up the construction of more picnic tables and will have at least 10 new ones made this month, with more coming before the opening of our next season.

Among the other projects being planned are painting new numbers on the roads for all of the sites, completing the kitchen for next season's campfire dinners and sprucing up some of the trim on the office building.

As time seems to move so rapidly, we're looking forward to seeing all of you back here soon.

Remember that members may make reservations up to one year in advance so why not call now to make sure you don't miss a single day of fun this coming Winter?

Best wishes for safe Summer travels!
