Summer is on the way and we're looking forward to Fall already!

With all of the uncertainty of these times, you can count on us

Showers being refreshed

continuing to do what we always have - properly maintain the park

The Governor's "shelter-in-place" order hasn't prevented us from continuing our work here to upgrade and ready your park for the season.

New flooring and kitchen cabinets have been installed in our first

cabin and hopefully within the next week we will have the first of the

With Stay at Home orders slowly being lifted, we're looking forward to our season opening.

In case the social distancing restrictions are still in place once

we are able to resume normal camping, we are making plans to

**ALL AMERICAN
RV CLUB**

-  Participating Campground
-  Participating State Park
-  AARVP Operated Campground

The **All American RV Club** is our growing network of RV Parks and campgrounds that offer significant discounts (most are 50% off their regular rates) to the members of All American RV Parks. There is no book to buy, nothing new to join or any additional cost to be part of this program - it's open to all members in good standing. Just show your **All American RV Club** membership card!

safely have kids crafts. The craft will be a craft kit, which you can come pick up and take back to your

drive-in movies, since we are able to social distance while watching a movie from a golf cart, lawn chair or favorite blanket. Check the activities schedule for activities and events we are able to still hold.

camper to complete. This kit will have everything needed to complete the craft, including instructions.

While we have been closed our camp workers have been hard at work maintaining the grounds and finishing up some of the winter improvement projects. That way everything will be ready for our summer campers. We hope to see you this Summer!

We hope this finds you and your family healthy.

Also, there are other activities we are considering having until all restrictions are lifted. For example

Beautiful new cabinets in the rental cabins

cabins finished. Thanks to Leo and Kathy Novelli for all the great furnishings. We will no doubt be the best place in the area for cabins.

The Teen Center has a new coat of paint inside and out and the pool has been cleaned and painted, all

ready for the beginning of the season. The Teen Center is to become our Club House and it will be

used not only by our campers but will also be available for the public to rent.

You don't have to travel to the ocean to enjoy the white sands and water as our beach area is now complete! This was done at our creek area, a favorite of the kids when camping at Hidden Springs.

Painting the Teen Center/ Club House

We were very disappointed Easter camping and activities had to be cancelled. We pray this will all be over soon and we can all get back to our lives before COVID-19.

We're All In This Together.

and continue to make improvements on a regular basis to meet your expectations.

Toward that end, Mike is currently working on the back bathrooms, which, as always, are closed during

Mike's modernizing the showers

the off season. All the showers are getting new tile and modern valves which will make it far easier to turn the water on and off and adjust temperature.

If all goes well, we hope to perform the same renovations on the showers in the front office

restrooms. These are upgrades we've been looking forward to completing for some time.

Be safe and remember, We're All In This Together.

Matagorda Bay Nature Park, an AARVP Club affiliate

Kayaker Josh Leenert paddled 700 miles down the Texas Colorado River from San Angelo to Matagorda Bay Nature Park over the duration of 40 days. He began his journey March 9 and arrived in Matagorda, Texas, where the river meets the Gulf of Mexico, on April 17.

Josh was determined to surpass his friend, Ethan West, who had also recently paddled the Colorado River, and succeeded! He managed to travel the entire way without flipping his kayak until he reached the end of his journey. Josh had an incredible trip, which was an unintentionally well-timed during the COVID-19 pandemic - probably the best way to practice social distancing!

Matagorda Bay Nature Park is a fantastic place to kayak. Currently, the park is closed to ensure the safety of its visitors and staff, but visit the website to learn more about the park's offerings and when it will reopen for public use.
