### Spring Fun & Fresh Updates at Hidden Springs

Easter Weekend at Hidden Springs is always filled with fun, especially for the kids who look forward to the annual Egg Hunt. Each egg is filled with candy, and a few even contain money—without any “gold eggs,” the kids never know which ones hold the surprise!

In addition to the egg hunt, we welcomed a visit from the Easter Bunny. The kids loved taking photos, and this year the Bunny showed up in a brand-new outfit looking especially “spiffy.”

A favorite Easter tradition is a live concert by country singer Jeff Bates, who is from the area and always draws a crowd. This year’s performance was a record-breaker, with one of the largest turnouts we’ve seen.

We’ve also continued making improvements around the campground following the flood. Much of the sand that was left throughout the park has been repurposed to enhance our creekside beach, giving it a fresh new look. The old and damaged playground equipment has been cleared, and we’re looking forward to installing new equipment soon. Our miniature golf course has also been refreshed with new turf around the holes. It’s looking better than ever and continues to be a favorite activity for guests of all ages.

1st Annual Adult Easter Egg Hunt

## A Sweet Farewell to the Season

April brought a mix of sweetness and sentiment as our season came to a close. We said goodbye—though only for a while—to many of our wonderful guests, and we look forward to welcoming everyone back in the fall.

We wrapped up March on a high note with a festive Corned Beef and Cabbage Dinner in celebration of St. Patrick's Day. The evening was made even more special with live entertainment from The Country Kinship Band, whose music brought great energy and joy to the celebration.

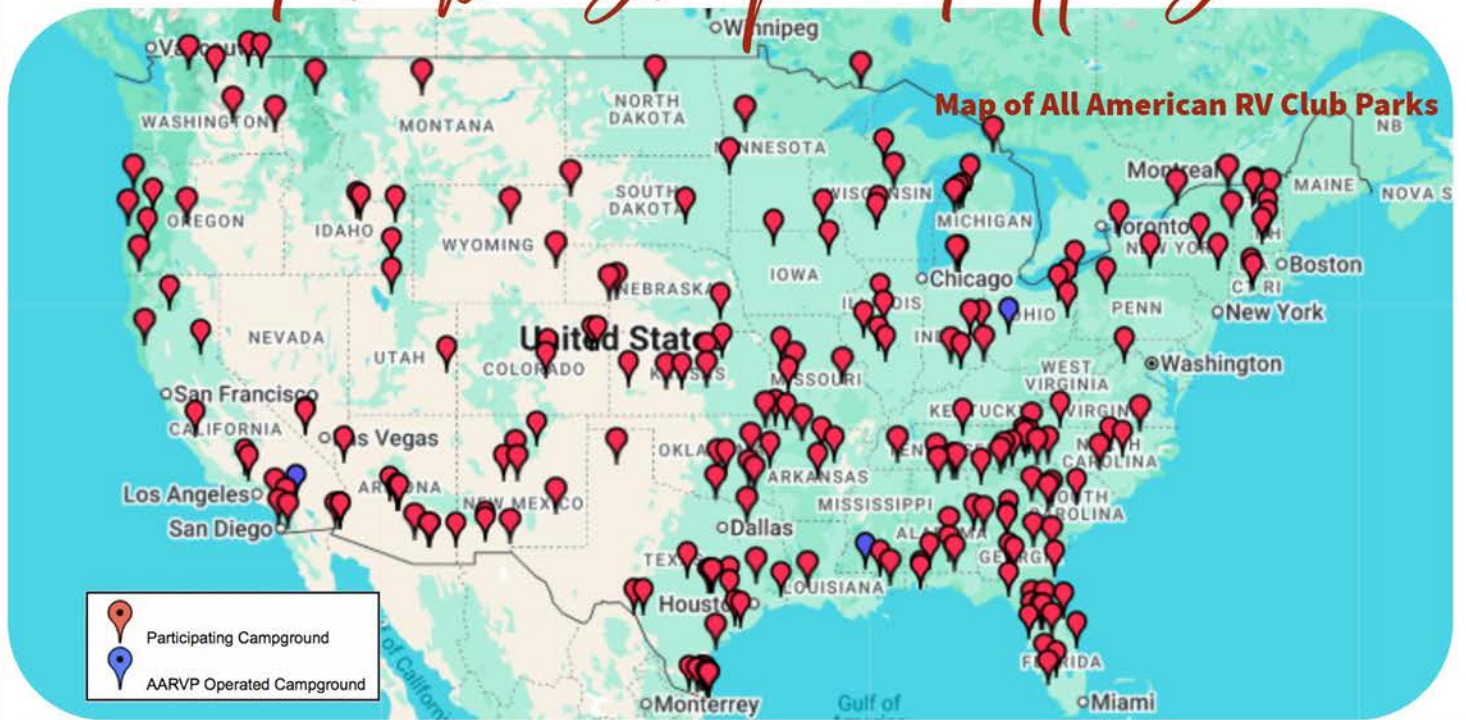

One of the highlights of the season was hosting our very first Egg Hunt at the RV Resort. While our community is primarily made up of adults aged 50 and over, we were delighted to have a few young visitors join us. What truly made the event unforgettable was the kindness and spirit of our guests—many happily re-hid eggs after the initial hunt so the little ones could continue the fun. It was a heartwarming display of the welcoming and thoughtful atmosphere that makes our resort so special. Some eggs even included prize tickets and Cathedral Palms stickers, adding an extra layer of excitement for everyone involved. Thank you to all who participated and helped make this first Egg Hunt such a joyful success—we're already looking forward to next year!

As we move into the warmer months, the desert continues to offer exciting experiences through June. Upcoming highlights include the Palm Springs Firefighters Fish Fry, a 92-year tradition featuring great food and live music; the Palm Springs International ShortFest, a premier seven-day festival showcasing short films from around the world; and Star Parties with telescope viewing hosted by Friends of the Desert Mountains.

Wishing everyone a safe and enjoyable off-season—we'll see you again soon!
