Our busy Winter season is here, the Holidays are coming soon and all's right with the world!

Well, maybe that's a bit optimistic but we're trying to stay positive in

Don, master of the flowers!

these times of uncertainty. What we do know is, there WILL be a Winter

The big news last month was again the weather; we were not as lucky with Hurricane Delta as we were with Laura and Sally.

We did not get lots of rain but we did get lots of wind. Trees were

Travis visited us all the way from Cathedral Palms

downed all over the park and we had to do a massive cleanup. We

As the camping season rolls along into fall, cooler weather and campfires are plentiful.

The swimming pool was closed in September but the fun and excitement continued. Weekends

Lock your doors!

included a drive-in movie, socially distant family bingo and family

The **All American RV Club** is our growing network of RV Parks and campgrounds that offer significant discounts (most are 50% off their regular rates) to the members of All American RV Parks. There is no book to buy, nothing new to join or any additional cost to be part of this program - it's open to all members in good standing. Just show your **All American RV Club** membership card!

Ongoing bridge construction

season here this year. What we don't know is what form it will take. With RV sales exploding, we anticipate seeing a lot of new faces as more and more families discover, as we have, that RV travel is the best way to experience the great outdoors. And now, turns out it's the safest way as well.

Plans for Thanksgiving, Christmas and New Year's Eve remain fluid, but rest assured we're open and ready for your visit. The desert is alive and well, with construction and entertainment going strong. Many events are going virtual but you may attend WildLights at the Living Desert in person. Call 760.346.5694 for advance tickets (limited attendance).

Thanks to Don, the Dog Park looks great!

Construction on the Cathedral Canyon bridge is also proceeding and you now may view the live webcam at <http://cathedralcanyondrive.com>. Last but not least, the new casino in Cathedral City, less than a mile from the park, is nearing completion and is expected to open later this month. Feeling lucky?

Stay safe, travel safe, have a Happy Thanksgiving and please include us in your upcoming travel plans!

Winners of the Site Decorating Contest!

crafts created corn on the cob made from pipe cleaners and beads. Switching gears, then came the Pirate Invasion Weekend. Family craft time joined the theme with a build-your-own pirate ship craft. The afternoon continued the pirate journey with a park-wide pirate treasure hunt, complete with treasure map, clues and hidden objects around the park. Families were given the first clue, then they had to decipher what the clue was saying to lead them to an area and look for an object. Once they found that object and the next clue, it would lead them to another. After finding their way through all of the clues and objects they were eventually led to the treasure. Our winner took 108 minutes to navigate the high seas to find their 'booty'. This year, the treasure was a treasure chest full of candies and snacks to enjoy around the campfire.

The weekend of September 25 - 26 was our 'It's Fall, Y'all' weekend. Kids crafts kicked off the day, with create-your-own foam figurine magnets and later the kids enjoyed their own scavenger hunt.

The month finished up with our Fall Festival weekend. Kids created and decorated their own miniature marshmallow shooters with PVC pipe, decorative tape and marshmallows provided. The afternoon brought on the festival games. Camp staff came up with popular carnival games that could be

played by young and old alike, such as balloon pop, ring toss, pop-a-shot, fish tank coin drop, hay bale lollipop pull, soup can knock down, football hoop toss, guess the number of pieces in the jar and a wheel of wonder. As the campers played the different games, they accumulated tickets to turn into prizes. Fun was had by all!

As October began, we were invaded by Zombies! There was a Zombie walk and the Family Craft was making Skeletons. The day ended with the Monster Mash Bash, where teams of four competed in different games. The first was to get a spider out of a bowl using a spoon held in their mouth. Second game was grabbing candy pumpkins out of a whip cream pie using only chop sticks and next was bobbing for apples. The fourth game was making a mummy out of a teammate, during which they had to use an entire roll of toilet paper. The final game was making a scare crow.

Sure you want to go in there?

The remainder of October was filled with our ever-popular Halloween weekends, featuring one scary surprise after another, enough to keep everyone on their toes!

New store under construction

were without power for most of one weekend.

Construction on our store has begun and it is now "dried in". We are planning to have basic RV supplies as well as snacks and ice for sale. This will be a great addition to Hidden Springs as we will now be able to provide items for our guests so they no longer have to look elsewhere after checking in.

We were totally booked for Halloween Weekend and had plenty of scaled back activities planned, including a Best Costume Contest, Best Decorated Golf Cart and Bike Contest.

To attract a wider audience we are preparing to put TVs in our remodeled cabins and clubhouse.

Don and Charlene Mathis, Managers

Matagorda Bay Nature Park, an AARVP Club affiliate

Fall activities are in full swing at **Matagorda Bay Nature Park!**

Wintering birds have begun their migration, so that means weekly bird walks are now available to participate in during November through February. Make sure to join a park guide on a guided walk by the river, beach and wetlands to learn all about our migrating friends. You can also enjoy the cooler weather and stunning sunsets on one of our guided beach walks. You'll have a chance to learn the names of shells, sea beans and other beach treasures.

To learn more about all your favorite fall events, check online at <https://www.lcra.org/searchevents/> or call us at 979-863-2603.
