Our biggest thrill this Fall is that our Canadian members are on the way!

After months of waiting and deadlines for opening the border for travel kept changing every

month, the Canadian border finally opened up on November 8!

Some of our Canadian members were so anxious to get back to Cathedral Palms, they had their RVs driven across the border into Washington state by professional transport drivers (which was legal despite the border being closed for

We are so excited to welcome Fall, when there are still plenty of great days to camp!

We had lots of fun activities during October, including a weekend

Survivor fire challenge

cookout with karaoke night. We work so hard on these weekend events so that everyone can enjoy an amazing time.

Activities at the park have wound down for the year, but some might say fall in Ohio is the best time to camp!

The days are still comfortable for outside adventures and the

Survivor fire challenge

evenings are perfect for s'mores and stories around the campfire.

As we look back on our fun-filled summer, we had more activity-

The **All American RV Club** is our growing network of RV Parks and campgrounds that offer significant discounts (most are 50% off their regular rates) to the members of All American RV Parks. There is no book to buy, nothing new to join or any additional cost to be part of this program - it's open to all members in good standing. Just show your **All American RV Club** membership card!

non-essential travel). Then, they chartered a small private airplane, flew across the border (also legal despite the closure), picked up their RVs and arrived here on November 1. They weren't about to miss another great year having fun at our desert oasis!

This season is shaping up as our busiest yet. RV sales have exploded as more and more people discovered

that traveling in an RV is the one safe mode of family travel and we're seeing lots of new faces.

Paulette is headed back later this month and we'll soon be enjoying Friday hamburger lunches and Sunday morning breakfasts. Of course, another epic Thanksgiving dinner is on tap as well.

Happy Thanksgiving and we'll be seeing you soon!

Our sparkling clean, heated pool awaits

with a healthy appetite! Next, join us for Karaoke, which will begin at 2:00 pm.

If you want to come out and have a blast with us, hurry and book your stay for the weekend and join us for all the fun by calling 601-876-4151.

Check out these three RV sites decorated for Halloween

We also had an awesome Halloween with two weekends of Trick 'r Treating fun. For the very first weekend, we worked very hard to create a spook trail that we called The Trail of the Dead. It went over so well that you can look forward to that feature during future Halloween celebrations! We also had a costume contest as well as a best decorated site contest and the entries were wonderful.

For Thanksgiving, we'll be hosting a Thanksgiving pot luck at 1:00 pm at the Pavilion for everyone who is camping with us on Saturday, November 27. We will furnish the turkey and ham so all you have to do is bring a side dish and/or dessert, along

packed weekends than ever before, from creating fire for our Survivor challenge to floating cardboard

Our entire goal is to give families the opportunity to make some unplugged memories that will last a lifetime with old friends you know and new friends you haven't met yet!

All ready to Trick 'r Treat

boats across the pool to ending the summer with a haunted trail like no other, there was no shortage of fun to be had at Tomorrow's Stars.

Volunteers are now hard at work buttoning up the park for the Winter. Projects are still going on and hopefully by Spring, you will see improvements in the putt-putt course, a new fire pit behind the clubhouse and continued work on electrical upgrades throughout the park. Improvements are also being made on the WiFi for those of you who can't unplug completely.

Thanks to everyone who came to visit for the Summer, a weekend or the season. It's the members and guests who inspire us to dream of bigger and better things year after year. If you have any ideas for activities or themes you would like to see, please reach out and let us know. The activities group is already hard at work planning for next year.

As always, Happy Camping and we will see you in the Spring!
