Welcome Home! Our first member meeting of the season is Saturday, November 5.

It could not have been a better weekend for our first Arts and Crafts Festival.

Wow, it's hard to believe that another Summer season has come and gone!

There's a sign on Bruce's door that reads, "Gone Biking" so I guess I'm officially the new manager! Not to

The **All American RV Club** is our growing network of RV Parks and campgrounds that offer significant discounts (most are 50% off their regular rates) to the members of All American RV Parks. There is no book to buy, nothing new to join or any additional cost to be part of this program - it's open to all members in good standing. Just show your **All American RV Club** membership card!

Also on the first Saturday of the month, we'll begin our famous Saturday Night Campfire Dinners, kicking off as always with free pizza, courtesy of our long-time sponsor, Mike Thompson RV Superstores. Then, on Sunday morning, breakfast will consist of French toast and sausage in the Social Center. You'll be sitting on all new tables, which are more comfortable and easier to keep clean.

Speaking of food and the Social Center, Bill Kijovsky will partner with Paulette to make sure our consistently awesome menus continue to provide you with the best dining experiences possible.

And, this being November, Bill Kijovsky and Paulette will continue our tradition of having an amazing turkey dinner on the Saturday after Thanksgiving. You don't want to miss this!

When you check in, make sure to pick up the November Activities Schedule (shown here) and plan to join us in all the fun!

Happy Thanksgiving!

to our next festival this coming Spring.

To make the event even more special, we were joined by Wendy Archibald and Diane Gregson from Corporate. We really enjoyed visiting with them and

showing off all the improvements at Hidden Springs. Come back anytime ladies!

A Corn Hole tournament will be held Veterans Day Weekend. Looks like we are going to have a good turnout for that event.

Our list for jobs over the Winter keeps growing. We will continue our plans to make Hidden Springs even more attractive to visit. One of our major changes will

be a bathroom at the Event Center. We will also be adding a few additional RV sites.

Have a Happy Thanksgiving!

the park in years.

Just because the Summer season is over doesn't mean that the camping fun must end. As we roll into our Winter season we're looking to expand and enjoy some new Winter activities. Plans are already in the works for our Friendsgiving Celebration, New Year's Eve Party, and a special Valentines Day dinner. At Tomorrow's Stars, we're a year-round family, not just Summer friends.

We would like to take a moment and thank our wonderful volunteer staff for all that they did this Summer hosting our activities. There is a lot of work that must go on behind the scenes in order to make every weekend special here, and our staff goes above and beyond to ensure our guests have a wonderful camping experience. They really are some of the true stars in our park.

Planning is already underway for 2023, and we have some new and exciting events planned for the whole family. Don't worry though, some of your favorite weekends will still be making a return; we'd love to hear from you too - please let us know on Facebook or Instagram what were some of your favorite memories from this past Summer season.

Thank you for being a part of our Tomorrow's Stars family, where we continue to make memories, one campsite at a time.
