### Friendsgiving potluck dinner

of festive gatherings that will bring the community together, making the most of the chilly months ahead.

Kicking off the festivities will be a "Friendsgiving" event. Members and their families are invited to share a potluck-style meal, where everyone can contribute their favorite dishes to showcase their cooking talents, thus providing the perfect backdrop for this celebration of friendship and gratitude.

As December approaches, we'll host a Christmas get-together that will highlight the holiday spirit. Activities will include cookie decorating and a holiday movie marathon, ensuring that the magic of the season can be enjoyed by all. Families will also have the opportunity to participate in a community tree decorating event, where campers can make ornaments to add to a communal holiday tree.

Campground manager Darren Rambo expressed excitement about the upcoming activities. "We want to create a space where campers can continue to connect and enjoy the beauty of Winter together," he said. "These events are a great way to keep our community spirit alive, even when the weather turns chilly."

As preparations for Winter festivities begin, we're encouraging members to join in the fun. Whether you're a seasoned Winter camper or new to the experience, there will be something for everyone. So bundle up, grab your holiday spirit, and get ready to make lasting memories at Tomorrow's Stars this Winter.

Stay tuned for further details on event dates and registration. Here's to a winter filled with joy, camaraderie, and unforgettable moments!

Thanksgiving weekend gives us a chance to think about all the blessings we have. Our park has a potluck dinner on the Saturday after Thanksgiving. We are especially thankful for our employees, work campers, Members and campers. We are truly blessed to be surrounded with some of the best people in the world.

On Friday after Thanksgiving we will have our Kids Night. We have bingo, snacks and then the highlight of the year for the kids –

We are very proud of our additions this season. You've seen the Snack Shack at our front pool. It has been a great success. Thanks to Sandy and Randy Wall, Rolna Anderson and others who have worked very hard to make this possible.

Our latest addition is the new guard shack. Campers will now have the convenience to simply "drive thru" when checking in.
