As September ends and October begins, it's crunch time here for us to get ready to welcome our Snowbirds.

Don and his crew are trimming the oleanders, reseeding the grass areas and planting the seasonal flowers to brighten up the pool and entrance.

The really exciting news just released is that a new casino will definitely be built and it's less than a mile from us! Besides the casino itself, the complex

August and September were full of excitement for us here at Hidden Springs. We have a lot to look forward to in October as well.

Labor Day weekend was a huge success. Friday night, we had the band Hoggwood come and perform. Saturday, after a day of playing

volleyball and going down the waterslide, we got to enjoy Russell Walker and his band. During the week after Labor Day we had the pleasure to host the Mississippi Travelers Club.

The weather is now perfect in Ohio with warm, sunny days and cool, clear nights, great for evening campfires and making S'mores.

Many of our camping families cook their meals over the fire so they can visit with

Matagorda Bay Nature Park's newest amenity is now open! Visit Matagorda, Texas, with your family and friends to test your mini-golf skills on the park's nine-hole course along the lower Colorado River.

We had a wonderful Labor Day weekend. The campground was filled with families making the most of the last three-day weekend of the season. Our live entertainment did not disappoint as their audience gathered on the hill outside our amphitheater. The folks on our entry road didn't even have to leave their sites. They just sat around their fire ring and watched the band play their hearts out.

The children have a favorite game called Slip 'n Slide Kickball. The base line is Slip 'n Slide, the bases are small wading pools and the ball is a gigantic beach ball. It's hard to get them to quit once they start because they laugh and have so much fun.

The pitchers are adult volunteers so, of course, they must also run the slippery baseline and get in the

wading pool. One member fell in the first base pool twice in one game. No one even thought of laughing - righttt! (And the kids got a big charge out of that)!

Our Halloween weekends are fully booked, and we have a list of people hoping to get the call that we had a cancellation. You can still call and have your name added to the list or come out during the week when things are much quieter. Don't forget to come and ride the Haunted Hayride. The rides run Friday and Saturday nights from dusk to midnight. We would love to spook you.

October 4-6, we will be hosting a membership drive here. Under the pavilion is where you can learn everything you need to know about becoming a member of All American RV Parks and Hidden Springs, all while enjoying a complimentary breakfast. Later in the evening, our manager, Don Mathis, will be available to answer any questions you may have about membership or the wonderful benefits becoming a member has to offer, all while enjoying a complimentary dinner!

Don't forget about Halloween! This year, we are changing things up a bit and having an old-fashioned Halloween Carnival instead of the usual Haunted House. Friday night we're having a Halloween party with karaoke and a costume contest.

We are also super excited to be working on our new permanent office!
