Pumpkins from Seed to Harvest!

Reptile Fun During
Pig Skins & Jerseys Weekend!

Slip-n-Slide Fun for Everyone!

Cleaning & Cooking
Pumpkin Chili!

September was a wonderful month at Tomorrow's Stars, filled with fun, laughter, and great memories!

Labor Day Weekend – Campers enjoyed a fantastic weekend with games, activities, karaoke for both adults and kids, and a giant slip-n-slide that was a big hit with everyone. It was the perfect way to celebrate the end of summer with family and friends!

Pig Skins & Jerseys Weekend – Guests showed off their team spirit, and the kids had a special treat as they got to interact with reptiles up close and learn more about them. It was an exciting and educational experience for everyone.

Golf Cart Rodeo – This event brought out everyone's competitive side! The course featured some fun and challenging obstacles, including one where the driver was blindfolded while the passenger navigated the course, and another where teams tried to pitch a beanbag into a cornhole board while the golf cart was moving. It was a crowd favorite and had everyone laughing!

Discovery Kids – Our Discovery Kids has been busy getting ready for fall! Earlier this year, the kids planted pumpkin seeds, and in September they were able to pick the pumpkins they grew themselves. They cleaned them out and even made chili in the pumpkins — a fun way to take their project from seed to harvest and then right into the kitchen!

Fall Fest – We wrapped up September by welcoming the autumn season with our Fall Fest celebrations, enjoying the cooler days and all the fun of the season.

Now we're ready to turn the page to one of the most exciting times of the year — our **Halloween Spooktacular Weekends**! Join us for three weekends of Halloween fun, including trick-or-treating, costume contests, site decorating, the spooky Haunted Woods, and much more. It's the perfect way to make lasting memories and close out another fantastic camping season.

We look forward to seeing everyone for an unforgettable October!

New Faces, New Cabins & Halloween Fun Ahead!

There is a lot happening at Hidden Springs RV Resort as we head into October!

We are excited to welcome **Brennan Norman** as our new Activity Director! Brennan has been part of the Hidden Springs camping family since she was just 10 years old, and even then she said she hoped to work here one day. This year, that dream came true! Many members and guests already know Brennan from around the park, and we are excited to see the energy, creativity, and new ideas she brings to our activities and special events.

Work is also moving quickly on our two new cabins, and we hope to have them completed and ready for guests before our Halloween weekends. These new additions will give families even more ways to stay and enjoy everything Hidden Springs has to offer.

And speaking of Halloween — our Halloween weekends are almost full! Campers can look forward to the Old-Fashioned Halloween Carnival, Trick-or-Treating, Costume Contest, Best Decorated RV Site, and of course, the always-popular Trail of Terror.

A special thank-you goes to Latrell Slocum, Mandy Terrell, and their dedicated group of volunteers, who are already hard at work making this year's Trail of Terror even bigger and better. We truly appreciate the time, creativity, and effort they put into one of our most anticipated events of the year.

September gave us plenty of great memories too. Labor Day Weekend was filled with family fun, including Arts & Crafts, a Scavenger Hunt, Water Balloon Fight, Water Tug of War, Family Bingo, a spectacular fireworks show, and live music from Will Wesley.

Thank you to everyone who joined us and helped make September another memorable month at Hidden Springs.

We can't wait to see everyone for a spooky, fun-filled October!

*The Desert
Is Waking Up Again!*

October is here, and you can feel the season beginning to change at Cathedral Palms RV Resort. The desert is slowly coming back to life as businesses begin reopening, the streets get a little busier, and our snowbirds start making their way back to the Coachella Valley.

September gave us a chance to enjoy one more quiet celebration before the season really gets underway. Our Labor Day gathering started out as a planned pool party, but the staff had a little surprise in mind and turned it into a birthday celebration for our manager, Christina! Pizza, birthday cake, music, a few shared adult beverages, and plenty of laughter made for a fun afternoon with our permanent residents and weekend guests.

Behind the scenes, the team has also been busy getting the park ready for returning guests. We recently took a trip to a local nursery to look for fresh ideas and new plants for the resort. We came home inspired—and with a few new plants ready to go into the ground right away.

Everything Is Waiting for You!

The sunsets are showing off, the pool is ready, the pickleball courts have missed you, and the putting green is waiting for a few clubs.

We're excited to see the park filling back up with familiar faces, new guests, and all the energy that comes with another desert season.

Plan Ahead for the Season!
