Finally it's Labor Day, which marks Summer's end and brings us closer to once again welcoming our Snowbirds back home for the season!

Currently the city is aggressively completing road repairs and while

it's a pain at the moment, we're looking forward to nice, smooth pavement on several streets around the park. For those of you who are regulars here, you'll be happy to know that the bridge on Date Palm Dr. is nearly finished and Dinah Shore Dr. is being

It sure was a very hot August, with temperatures in the triple digits and real feel temperatures of 108 to 110 degrees.

The heat made the pools and the spring-fed creek very popular! The Barrons enjoyed a short vacation in one of our cabins before school

We have been enjoying our campground filled to near capacity almost every weekend this summer!

We work all week long getting ready for all the weekend campers and it is always worth it. The pool

AARV Parks is hitting the road! (Without using one drop of gasoline)

Leo Novelli, President and CEO of All American RV Parks, is preparing a cross country road trip promoting RV vacationing, and in a unique twist, he'll be towing an Airstream Sport trailer with his Tesla Model X. It's his desire to accelerate the advent of sustainable transport while touring as many RV campgrounds as possible along the way.

The trip is scheduled to cover approximately 6,000 miles, across 21 states, over 40 days, while visiting the company's owned campgrounds and those in the **AARV Club**, along with Good Sam, RPI and non-affiliated facilities. You'll be able to ride along by following Leo's posts on multiple social media platforms. Account names and hashtags will be published in our next issue of **The Scoop** or follow our corporate Instagram account @aarv_parks, Twitter account @aarvparks and Facebook page at Facebook.com/aarvparks for more information.

The **All American RV**

Club is our growing network of RV Parks and campgrounds that offer significant discounts (most are 50% off their regular rates) to the members of All American RV Parks. There is no book to buy, nothing new to join or any additional cost to be part of this program - it's open to all members in good standing. Just show your All American RV Parks membership card!

It has been almost too hot for campfires but the smell of outdoor cooking fills the air.

The volunteers are working on some upgrades to the back side of the clubhouse and a new play set for the children near the miniature golf course. The play set is needed because we have so many children and not enough swings to go around. The area behind the clubhouse will be a gathering area for adults and family events. We appreciate all the support from our corporate office in these endeavors.

Do twins ask Santa for the same stuff?

Santa was here in July and thrilled all the children. He was quite knowledgeable of their names and Christmas present desires. Talk about smiles! They really enjoyed sitting on his lap and telling him exactly what they wanted and why they deserved it. We also had a fishing tournament and yes, some fish were caught! Pirates and Princesses visited the park looking for buried treasure. Their venture led to the woods where they indeed found treasure.

We still have plenty of season left with lots of activities and relaxation. Call the office to make your reservations before the weekends are full. We will be happy to have you join us.

on their very first visit, the Welches had a great time tubing in the river.

As for us, we have been quite busy. We replaced the septic tank and drain fill at the teen center and have been mowing frequently. Now that September is here it seems like the months are zooming by! We're

looking forward to celebrating Labor Day Weekend with lots of activities and expect that everyone will have an awesome holiday.

Ya'll come on out to Hidden Springs. Spend the day, a week or an extended stay. We are sure you will enjoy your stay. A friendly and helpful staff awaits your arrival.

Hope to see you soon!

repaved from the curve past Date Palm Dr.

Early visitors can look forward to the Tejano Music Festival, which takes place September 22, followed by the Halloween Spooktacular on October 28 and Dia de los Muertos, (Day of the Dead), all held at the Civic Center, which is just a short walk from the park.

Add to that all the activities we have planned on site and we're sure you'll find plenty to do while enjoying catching up with old friends and new acquaintances.
