the other, Labor Day marks the end of Summer and back to the routine - vacation time is over, school has started and for many, the upcoming weather is less than ideal.

Here in the desert, the holiday is almost universally welcomed. Summer's end means that temperatures are about to drop from triple to double digits and evenings cool off even more. And for us here at the resort, Labor Day means that we begin looking forward to once again welcoming our Snowbirds back to their Winter home.

Throughout Summer we've been busy maintaining and improving Cathedral Palms to serve all of our members and guests in the best ways possible. Once again Mike Thompson's RV Superstores are sponsoring our Saturday night campfires, with complimentary pizza on the first

The **All American RV Club** is our growing network of RV Parks and campgrounds that offer significant discounts (most are 50% off their regular rates for the first night of your visit) to members of All American RV Parks. There is no book to buy, nothing new to join or any additional cost to be part of this program - it's open to all members in good standing. Just show them your **All American RV Club** membership card!

Saturday of the month and potlucks on the following Saturdays. Paulette and her crew will be back whipping up your favorite main dishes (along with some new cuisine) to highlight the potlucks, as well as Friday afternoon hamburgers and Sunday morning breakfasts.

We hope you're looking forward to your visit here as much as we are. Limited reservations are still available so don't wait!

Travel safe and get ready to enjoy Winter as much as you did your Summer adventures.

A member of the All American RV Club

Fishing has been fantastic at **Matagorda Bay Nature Park**. Darryl Leist, a RV camper this past

summer, can attest to this after catching a 39" black drum and a 37" black drum off the banks of the Lower Colorado River.

### Hungry, Hungry Hippo in the pool

camper to join in the activities or unwind from the week around their campsite.

We recently dedicated a weekend to Water Wars. With teens in the deep end and youngsters in the shallow end of the swimming pool, a fierce battle of "Hungry, Hungry Hippo" broke out. Baskets were hurriedly filled with plastic balls floating in the water and taken to the empty toddler swimming pools at each side of the pool. They enjoyed it enough to throw the balls back in the pool and play again. They then used the empty toddler pools to paddle race across the big pool. They also competed in various relay races across the pool.

A large Slip-n-Slide was placed on a hill near the fishing pond. The children spent a great deal of time walking up and then sliding down the hill. Some just loved the splash at the end and others loved being able to belly slide all the way down. Nearby, one adult and several kids were either casting for that "big one" or the "first one."

Another activity planned for the younger set of children was "Minute to Win It." Doughnuts were dangled from string and contestants tried to eat the doughnut with their hands behind their backs. They then tried to toss rings into buckets to see

who could get the most in a minute. To get that sugar rush, they sucked a straw to get an M&M to stick long enough to transport it to an empty container. Their prize was a cup of M&Ms.

The day also included adult water aerobics, Not-So-Newlywed game, a hayride and a dance party. The planned activities started at 10:00 am and finished at 10:00 pm. If you are not the activity type, there are plenty of other

### Plenty of fun on the water slide

things to do and stay occupied. Come join us and choose those activities that make your experience wonderful.

Themed activities for this month and next are Corn Festival, Dogs Rule Cats Drool, Park Appreciation, and three Halloween weekends. Hope to see you.

coat of beautiful, bright blue paint. Our basketball and tennis courts are freshly paved and ready for the games to begin!

We offer a variety of arts and crafts, cornhole, potlucks and many other fun-filled, family-oriented activities on non-holiday weekends. You can find the schedule of activities on our Facebook page.

Labor Day weekend is planned to be a hit, with Hoggwood Band on Friday night and Russell Walker and his band performing Saturday night. We will have our first of many volleyball tournaments, a cake walk, waterslide and dunk

tank. Our manager, Don Mathis, plans to join in the fun and get in the dunk tank too!

Our new activities director, Amber Terrell, has so much planned for the upcoming months. Halloween weekend will feature an old fashioned carnival with a super festive theme, and we will have our first ever karaoke night.

The Mississippi Travelers will also spend a week with us.
